Financial Hardship

Policy Measures

1) Payment Difficulties, Hardship and Vulnerability

Financial Hardship Occurs where a person is unable to pay rates and charges without affecting their ability to meet their basic living needs, or the basic living needs of their dependants.

The ratepayer must provide evidence of genuine financial hardship to satisfy the Shire and will consider all circumstances, applying the principles of fairness, integrity and confidentiality whilst complying with our statutory responsibilities.

5) Approval

The Rates Officer will refer the application with their recommendation to the Chief Executive Officer for final approval and signoff.

6) Payment Plan

If the Shire determines the rates payer is in financial hardship, they will be offered a payment plan based on their application status.

- An extension in time to pay
- A payment plan
- A suspension of interest charges and administration fees whilst a payment plan is in place
- The reasonable maximum length of time to be on the FHRR payment plan is considered to be 3 years.

7) Suspended Interest

A suspension of interest will occur immediately from the date of receiving a completed form.

8) Debt Recovery

- The Shire will suspend the debt recovery processes whilst negotiating a suitable payment arrangement with the ratepayer
- The Shire will not commence any legal proceedings to recover debt whilst the rate debtor's financial application is being reviewed and assessed.
- The shire will not commence any legal proceedings to recover rates and charges where the ratepayer is complying with their payment plan.

Legal proceedings

If legal proceedings have been commenced and the debtor lodges a financial hardship application, these proceedings will be temporarily suspended whilst the debtor's application is reviewed and assessed.

If the debtor is successful with their application, no further legal action will be taken whilst the debtor is complying with their payment plan.

The Shire will make all reasonable attempts to contact the debtor to advise them of our next course of action.

Non-Compliance to Payment Plan

- If a rates debtor does not comply with their extension in time to pay, payment plan or other payment arrangement, the Shire may commence or recommence debt recovery proceedings as per council's policy.
- Legal action proceedings will be initiated or re-initiated, where a debtor's account will be referred to:
 - The Shire Debt Collection Agency

Legal Costs

All legal costs and expenses incurred in recovering outstanding rates and charges will be charged against the property in accordance with section 6.56(1) of the Local Government Act 1995.

Legal Action Taken in Error

If legal proceedings were inadvertently taken by the Shire due to an internal administrative error, the Shire will take every measure to rectify a ratepayers account, this may include:

- Reversing any associated costs or fees
- Seeking a Notice of Discontinuance or Memorandum of Consent will be lodged at the Magistrates Court at the Shire's expense.

9) Review of Application

The Shire will review all Financial Hardship approvals under this policy in March of each year, or unless changes in circumstances have become apparent and a review is required.

10) Communication and Confidentiality

The Shire will maintain confidential communications at all times and undertake to communicate with a nominated support person or other third party at your request.

The Shire will advise ratepayers of this policy and its application when communicating in any format (i.e. verbal or written) with a ratepayer that has an outstanding rates or service charge debt.

The Shire will recognise that applicants for hardship consideration are experiencing additional stressors, and may have complex needs. The Shire will provide additional time to respond to communication and will communicate in alternative formats where appropriate. The Shire will ensure all communication with applicants is clear and respectful.
