Local Government (Financial Management) Regulations 1996

11. Payment of accounts

- (1) A local government is to develop procedures for the authorisation of, and the payment of, accounts to ensure that there is effective security for, and properly authorised use of —
- a) cheques, credit cards, computer encryption devices and passwords, purchasing cards and any other devices or methods by which goods, services, money or other benefits may be obtained; and
 - b) Petty cash systems.
- (1) A local government is to develop procedures for the approval of accounts to ensure that before payment of an account a determination is made that the relevant debt was incurred by a person who was properly authorised to do so.
- (2) Payments made by a local government —
- a) Subject to sub-regulation (4), are not to be made in cash; and
 - b) Are to be made in a manner which allows identification of —
 - (i) The method of payment;
 - (ii) The authority for the payment; and
 - (iii) The identity of the person who authorised the payment.
- (3) Nothing in sub-regulation (3) (a) prevents a local government from making payments in cash from a petty cash system.

[Regulation 11 amended in Gazette 31 Mar 2005 p. 1048.]

12. Payments from municipal fund or trust fund

- (1) A payment may only be made from the municipal fund or the trust fund —
- a) If the local government has delegated to the CEO the exercise of its power to make payments from those funds — by the CEO; or
 - b) Otherwise, if the payment is authorised in advance by a resolution of the council.
- (2) The council must not authorise a payment from those funds until a list prepared under regulation 13(2) containing details of the accounts to be paid has been presented to the council.

[Regulation 12 inserted in Gazette 20 Jun 1997 p. 2838.]

13. Lists of accounts

- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared —
- a) The payee's name;
 - b) The amount of the payment;
 - c) The date of the payment; and
 - d) Sufficient information to identify the transaction.
- (2) A list of accounts for approval to be paid is to be prepared each month showing —
- a) For each account which requires council authorisation in that month —
 - (i) The payee's name;
 - (ii) The amount of the payment; and
 - (iii) Sufficient information to identify the transaction; and
 - b) The date of the meeting of the council to which the list is to be presented.

- (3) A list prepared under sub-regulation (1) or (2) is to be —
- a) Presented to the council at the next ordinary meeting of the council after the list is prepared; and
 - b) Recorded in the minutes of that meeting.

Background

Enclosed is the Monthly Financial Report for the month of February 2020.

Financial Implications

Financial Management of 2019/2020

Statutory Implications

Local Government (Financial Management) Regulations 1996

34. Financial activity statement report — s. 6.4

*(1A) In this regulation — **committed assets** means revenue unspent but set aside under the annual budget for a specific purpose.*

(1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —

- a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);*
- b) budget estimates to the end of the month to which the statement relates;*
- c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;*
- d) material variances between the comparable amounts referred to in paragraphs (b) and (c);*
and
- e) the net current assets at the end of the month to which the statement relates.*

(2) Each statement of financial activity is to be accompanied by documents containing —

- a) an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;*
- b) an explanation of each of the material variances referred to in sub regulation (1)(d); and*

c) *such other supporting information as is considered relevant by the local government.*

(3) *The information in a statement of financial activity December be shown —*

a) *according to nature and type classification; or*

b) *by program; or*

c) *by business unit.*

(4) *A statement of financial activity, and the accompanying documents referred to in sub regulation (2), are to be —*

a) *presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and*

b) *recorded in the minutes of the meeting at which it is presented.*

Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

Attachment/s:	Attachment Item 11.3 – FY 2019-20 Budget Review

Proposal/ Summary

The purpose of this report is for the Shire of Tammin to consider and adopt the Budget Review Report, with any amendments, for the period 1 July 2019 to 29 February 2020.

Background

The Local Government Act provides for local governments, including regional local governments, to prepare an annual budget.

6.2. Local government to prepare annual budget

- (1) *During the period from 1st June in a financial year to 31st August in the next financial year, or such extended time as the Minister allows, each local government is to prepare and adopt*, in the form and manner prescribed, a budget for its municipal fund for the financial year ending on the 30th June next following that 31st August.*

**Absolute majority required.*

The Local Government (Financial Management) Regulations 1996 require local governments to undertake a review of the Annual Budget.

33A. Review of Budget

- (1) *Between 1st January and 31st March in each financial year a local government is to carry out a review of its annual budget for that year.*
- (2A) *The review of an annual budget for a financial year must —*
- (a) consider the local government's financial performance in the period beginning on 1st July and ending no earlier than 31st December in that financial year; and*
 - (b) consider the local government's financial position as at the date of the review; and*
 - (c) review the outcomes for the end of that financial year that are forecast in the budget.*
- (2) *Within 30 days after a review of the annual budget of a local government is carried out it is to be submitted to the council.*
- (3) *A council is to consider a review submitted to it and is to determine* whether or not to adopt the review, any parts of the review or any recommendations made in the review.*
- *Absolute majority required.*
- (4) *Within 30 days after a council has made a determination, a copy of the review and determination is to be provided to the Department.*

A detailed analysis at account level incorporating year to date actual results and budget projections to 30 June 2020, for the period ending 29 February 2020, is presented for consideration. Statements of Financial Activity at 29 February 2020 have been prepared to provide a summary of the budget review results, as well as a Statement of Closing Funds detailing a projected surplus as at 30 June 2020 of \$1,093, down from the original budget forecast of \$3,880.

Comment

The budget review has been prepared to include the information required by the *Local Government Act 1995*, the *Local Government (Financial Management) Regulations 1996*, and the Australian Accounting Standards. Council adopted a 10% minimum or \$10,000 for the reporting of material variances to be used in the statements of financial activity and the annual budget review.

The adopted budget contained an opening surplus of \$956,397 with a forecast closing position at 30th June 2020 of \$3,880. Following completion of the annual financial audit of FY18/19 results, the actual opening surplus has been revised to \$952,429, an adjustment of \$3,968.

Following review and taking into account all proposed budget amendments as detailed in the attached Report, a surplus of \$1,093 is predicted. The key items influencing this forecast result are as follows:

A. Revenue

11.4 Outstanding Debt – Write off

Location:	Shire of Tammin
Applicant:	Manager of Finance and Administration
Date:	17 March 2020
Author:	Manager of Finance and Administration
Item Approved by:	Chief Executive Officer
Disclosure of Interest:	Nil
File Reference:	Nil
Attachment/s:	Attachment Item 11.4 – Payment Arrangement Letter Attachment Item 11.4 – Notice of Intention to Defend Attachment Item 11.4 – Email – Debt Load Pack Attachment Item 11.4 – Proceeding with Legal action

Proposal/Summary

The purpose of this report is for Council to consider writing off a bad debt that the Shire has been carrying since June 2018, totaling \$6,752.77.

Background

The outstanding debt relates to an overpayment of leave entitlements upon termination of a previous staff member. Final payment was made on 26 June 2018 for the 2017/18 financial year. Contact was made with the staff member via email and mail to ensure he was aware of the situation and the obligation to return the overpayment amount of \$6,752.77.

Comment

Attempts to recover the outstanding monies via several avenues including debt collection have proven to be unsuccessful. A contract of payment agreed upon by the Chief Executive Officer was emailed and mailed to the former staff member on 23 January 2018 with terms of clearing the outstanding debt over the course of a 2 year period. This option was dismissed by the former staff member.

The matter was sent to AMPAC Debt Recovery on 21 March 2019. In response, the former staff member commenced counter legal action claiming that the Shire is unlawfully seeking this debt. The notice of intention served against the Shire of Tammin was allegedly emailed by AMPAC to the Shire on 10 December 2019. This notice of intention was not received by the Shire of Tammin until after the 14 day defence lodgment period, by which time it must lodge and serve a statement of defence. Subsequent correspondence between the Shire and AMPAC revealed that the email sent by AMPAC, with the notice of intention, was not recognized until too late to proceed. Refer Attachment Item 11.4 – Email – Debt Load Pack.

Notwithstanding the elapse of the 14 day period, the Shire could have proceeded, however there is a strong case for the former employee to dismiss the Shire's defence application on account that the Shire did not file and serve a statement of claim within 14 days. Furthermore, the ongoing fees to AMPAC Debt Recovery and the associated legal charges to secure a Judgement, as described in Attachment Item 11.4 - Proceeding with legal action, it is recommended that Council discontinue with its legal pursuit of the debt and reluctantly write off the amount of \$6,752.77.

Consultation

Statutory Implications

Local Government Act 1995

6.12. Power to defer, grant discounts, waive or write off debts

(1) Subject to subsection (2) and any other written law, a local government may —

(a) when adopting the annual budget, grant a discount or other incentive for the early payment of any amount of money; or*

(b) waive or grant concessions in relation to any amount of money; or

(c) write off any amount of money, which is owed to the local government.

** Absolute majority required.*

(2) Subsection (1)(a) and (b) do not apply to an amount of money owing in respect of rates and service charges.

(3) The grant of a concession under subsection (1)(b) may be subject to any conditions determined by the local government.

(4) Regulations may prescribe circumstances in which a local government is not to exercise a power under subsection (1) or regulate the exercise of that power.

Policy Implications

Policy 1.21 – Outstanding Debts Policy

Delegations Register – LGA 30 Write off of Debts and other than Rates & Service Charges

Financial Implications

It is anticipated that the write off of the \$6,752.11 debt will be less costly than pursuing a legal recovery process that will incur greater expense than the debt itself. Moreover, there is no certainty that the legal action would result in a successful outcome of recovery.

11.5 Outstanding Rates Report

Location:	Shire of Tammin
Applicant:	Council
Date:	16 March 2020
Author:	Rates Officer
Item Approved by:	Chief Executive Officer – Neville Hale
Disclosure of Interest:	Nil
File Reference:	FIN06
Attachment/s:	Nil

Proposal/Summary

For Council to be advised of the rates outstanding as at 16 March 2020 being the final instalment date of the 2019/20 rating year for which notice was issued 31 January 2020.

Background

The 2019/20 Budget made provision to raise \$1,132,960 in rates with \$22,659 for discounts of 2% (net \$1,110,301) if receipted or paid into the Shire's bank account by the close of business on the 9 September 2019. Only \$19,840 of discounts were provided against the Budget provision of \$22,659 but it did serve its purpose of securing circa 90% of rates paid by the Due Date.

As at 1 July 2019, the Shire had \$41,360 of rates outstanding. Following the issue of the 2019/20 rates and the passing of the Due Date for the fourth (4th) Installment, there remains \$79,715 outstanding excluding Waste and ESL Debtors as at 16 March 2020. Further excluding pensioners, the overdue amount is \$62,045.

In addition to the above, there remains \$4,172 outstanding for waste collection charges and \$5,214 for ESL charges, giving a total outstanding of \$89,100.

Comments

The Shire has 328 rateable properties of which 81 attract minimum rates of \$573.

The outstanding balance of \$89,100 represents 7.86% of the current year's rates, reduced to 6.3% when one excludes pensioners.

There are currently 101 Assessments listed on the 16 March 2020 Overdue Rates Report, up from 75 Assessments listed on the Overdue Rates Report of 9 October 2019. The increase reflects those additional assessments that were previously excluded as having taken up one of the instalment options that have now fallen due. There are:

- 13 assessments totaling \$16,107.59 under ongoing repayment plans;

- 3 assessments totaling \$24,179.53 for which legal action is in process of which one (1) is now over the three (3) year recovery limit;
- 85 assessments have overdue amounts, some as a result of underpayment as a result of missing the Due Date for discount and some with carried forward interest. The balance being those that have yet to fully meet the rates levied to date. A final Notice will be sent on the 27 March 2020 with payment due on 3 April 2020.

 Division 6 — Rates and service charges
 Subdivision 5 — Recovery of unpaid rates and service charges

Policy Implications

Policy 3.6 – Rates – Discount/Prize eligibility

Financial Implications

The current outstanding rates, excluding pensioners, is 6.3%

It is essential for good governance that outstanding rates are monitored and pursued where necessary to ensure that the Shire can meet its budgeted obligations. A target for outstanding rates in any given year is in the order of 3% or \$33,300. For the 2018/19 year the Shire achieved an outcome of 4%.

12. MATTERS FOR CONSIDERATION – ADMINISTRATION

12.1 ALGA - National General Assembly

Location:	Canberra
Applicant:	Shire President
Date:	17 March 2020
Author:	Neville Hale
Item Approved by:	Chief Executive Officer
Disclosure of Interest:	Nil
File Reference:	Nil
Attachment/s:	Attachment Item 12.1 – National General Assembly - Conference brochure

Proposal/Summary

For Council to endorse the attendance of the Shire President's attendance at the Australian Local Government Association (ALGA) National General Assembly (NGA) 2020.

Background

The annual ALGA National General Assembly of local governments is scheduled to be held at the National Convention Centre in Canberra from 14 to 17 June 2020.

The theme of the Conference is "*Working Together for Our Communities*". Local governments have had to show resilience through recent drought, bushfires and now the coronavirus outbreak where the need to work together with all levels of government and non-government partners has been highlighted. The National Convention is an opportunity to strengthen these relationships and initiate contacts and obtain learnings from others that have experienced the impacts of these devastating events.

The NGA also provides opportunity for the President, either singularly or with other Shire Presidents, to meet with relevant Ministers or Departmental staff to raise issues of interest to the Shire and or the region.

Comments

The Shire President attended the 2019 NGA and reported back to Council that he had found it to be both enlightening in respect to the shared experiences of local governments across the nation and beneficial in the contacts he had made.

Council, at its 27 February 2020 Ordinary Meeting, adopted a policy in respect to an "Attendance at Events Policy" that made provision for the Shire President to attend the annual National General Assembly. The Policy was subsequently amended to exclude such attendance as a standing policy with each attendance request to be subject to Council endorsement as and when required.

The importance of attending such events cannot be overstated for small shires such as Tammin. Generally the focus of government funding, both State and Federal, is focused on regional centres and it is important that Tammin continues to “knock on doors” to put forward its case for funding.

Notwithstanding the importance of the networking opportunities, one must be mindful of the current and ever uncertain requirements of “social distancing” in respect to the coronavirus outbreak which may impact on the NGA being held.

Consultation

Statutory Implications

Local Government Act, 1995 (as amended)

5.90A. Policy for attendance at events

- (1) In this section —
event includes the following —
 - (a) a concert;
 - (b) a conference;
 - (c) a function;
 - (d) a sporting event;
 - (e) an occasion of a kind prescribed for the purposes of this definition.
- (2) A local government must prepare and adopt* a policy that deals with matters relating to the attendance of council members and the CEO at events, including —
 - (a) the provision of tickets to events; and
 - (b) payments in respect of attendance; and
 - (c) approval of attendance by the local government and criteria for approval; and
 - (d) any prescribed matter.

** Absolute majority required.*

- (3) A local government may amend* the policy.

** Absolute majority required.*

- (4) When preparing the policy or an amendment to the policy, the local government must comply with any prescribed requirements relating to the form or content of a policy under this section.
- (5) The CEO must publish an up-to-date version of the policy on the local government’s official website.

Policy Implications

Attendance at Events Policy

As this request is not specifically included as an event recognised by the Policy, it is necessary for Council to give its specific endorsement for the Shire President to attend the 2020 ALGA National General Assembly.

Financial Implications

The all up cost for attendance is in the order of \$3,500 inclusive of registration (\$1,099), airfares (\$980) and accommodation & meals (\$1,400) with all expenses being subject to provision of evidence of expenditure.

The 2019/20 Budget makes provision for attendance at the ALGA National General Assembly with a budget of \$13,000 of which \$9,415 has been expended to date.

Strategic Implications

Strategic Community Plan 2017 - 2027

Infrastructure & Transport Strategies

Vision:

"Our local town, amenities and facilities will be maintained and enhanced, ensuring that our town is one that community loves to be in and is proud of."

The following outcomes and strategies have been identified to achieve this vision.

Outcome 5.1 A well-connected and serviced community accessible to all

5.1.1 Advocate for the needs of our residents for improved levels of health, water, energy, communications and transport infrastructure to be provided by State Government, to meet increasing demand and to support our growth as a community; and,

5.1.2 Develop partnerships with government agencies for improved services.

Recommendation

That Council:

1. authorise the attendance of the Shire President at the Australian Local Government Association National General Assembly to be held in Canberra from 14 to 17 June 2020;
2. approve the cost of attendance, being approx \$3,500, to be funded from the existing budget provision in account 041101 – Members Conference Expenses.

14.1 Tammin Volunteer Fire and Emergency Services Building – Proposed redevelopment

Attachment/s:	Nil

Proposal/Summary

This information report is a recommendation to Council regarding the Department of Fire and Emergency Services (DFES) request regarding the old DFES Building situated on the corner of Redmond and Donnan Streets, Tammin.

Background

The Shire received the following email from Darrel Krammer, District Officer Northam, Department of Fire and Emergency Services ;

“Just following up on our phone conversation earlier in the week seeking Shire input to the requirements around the preservation of part and/or all of the Tammin Volunteer Fire and Emergency Services (VFES) building next to the Shire Office as below.

The building was built in 1935 and is in a state of disrepair that requires substantial and potentially expensive works to bring it back to an acceptable standard, including but not limited to restumping, asbestos works, structural works, leach drains, plumbing etc.

DFES are currently investigating different options for the building, and recognise the historical value of the building, especially the front brick façade and doors that are facing the highway.

No decision has been made on the future of the building, i.e. repair, demolish and rebuild, demolish and build onto existing station etc. However, for DFES to make informed cost effective options in moving forward could you please advise to what degree of the building is to remain should it be more costs effective to demolish (i.e. maintain the brick façade and doors etc.)?

We understand that the building is not on the State Heritage Register and the Shire does not have a register of historical buildings, but DFES would like to maintain the front as much as possible. Could you please provide information appropriate to the above?"

Given the significance of the Building, the request was referred to the Shire's Planning Consultant for comment and advice.

Comments

As the DFES building is listed in the Heritage Council of WA database – "InHerit". The database contains information on statutory and non-statutory heritage listings and the results of heritage surveys and studies. The Tammin Fire Station building is also listed in Shire of Tammin's recently completed Draft Heritage Strategy as a Category 1 building. Accordingly, it is likely that the Tammin Fire Station building will be subject to State Heritage assessment upon adoption of the Heritage Strategy.

Should this be the case, DFES will be required to prepare a heritage report on the current state of the building and that report will need to be referred to the Department of Planning, Lands and Heritage for its assessment. The outcome of the assessment will determine what action is to be taken in regard to any future renovations and or structural outcomes.

Consultation

The proposal will need to be referred to the Department of Planning Lands and Heritage.
