Donnan Park - Planning Session

This month the Shire invited the local Football, Cricket, Hockey and Netball clubs to participate in a planning session at Donnan Park. As high users of the facility attendees participated in a facilitated session brainstorming what new and renewal projects they would like to see prioritised at Donnan Park. This invaluable feedback will provide the foundation for a draft plan for the precinct which will be disseminated to the boarder community for input before going to Council for endorsement. This plan will then be used to assist Council when setting the budget each year in relation to Donnan Park.

KEEP UP TO-DATE

New!

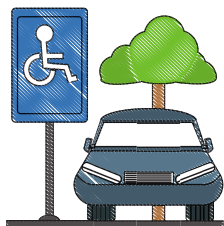

New Grader

Christmas came early for our outside crew with the Shire's new grader arriving on Friday, 10th February 2023. Staff were very excited to see this piece of machinery come in and look forward to utilising it to maintain Shire's roads.

The outside crew were given the opportunity to go through some one-on-one courses regarding all operational and maintenance matters.

Seniors Parking

The Shire of Tammin is currently in the process of installing a Seniors Parking bay located at the front of the Shire Office building. This will be visibly sign posted for customers to see when entering from the highway.

The new park will make it safer for our seniors and will mean they can still park close to the entrance without having to reverse directly onto the busy highway. We are looking forward to improving the accessibility into the Shire Office for our customers and visitors.

These works are anticipated to take some time so please be vigilant and drive carefully when entering into the existing carpark facility.

TAMMIN SNAPSHOT

TAMMIN'S COMMUNITY DOG PARK

As part of the Shire of Tammin's Capital Works Project for 2022/23, a dog park is under development alongside the information bay stopover! Did you know Australia has one of the highest populations of domestic dogs in relation to humans! Dogs are a large part of our life and family, and are becoming more well-travelled.

The dog rest area gives travellers a chance to rest and enjoy a refreshment in the shade of the information bay, while their dogs can run off lead under supervision. With a dog friendly stop along the Great Eastern Highway, travellers are more likely to revisit the area and support our local economy. The local community have the opportunity to ensure our dogs get regular exercise, socialise with other dogs and enjoy old and new smells they encounter. Walking our dogs also has the added physical and mental health benefits for us.

So keep an eye out for further development and await the opening of the Shire of Tammin Dog Park.
