CEO UPDATE

Southern Link - Now Open

We are extremely excited that the new Southern Link road is now officially open to traffic. I would like to thank everyone that has been involved in this project, from the inception many years ago when it was a pipedream through to everyone that played a part in making it a reality.

There is still some minor line marking and signage to be installed so please take care and enjoy using this new piece of road infrastructure.

Community Grants

A reminder that the Shire's Community Grants close on Monday the 8th of May. If your club or community group have a project they are aspiring to please be sure to make an application. More information on the grants can be found on the flyer further on in the newsletter.

Regional Economic Development Grants

Round six of the Wheatbelt Development Commission's Regional Economic Development (RED) Grants are now open. The RED's grants are one of the few grant rounds that are open to profit making entities. So if you are looking for an opportunity to assist you to develop/grow/expand/diversify your Wheatbelt business this might be of interest to you. Further information and guidelines can be found here - <https://www.wheatbelt.wa.gov.au/working-us/regional-economic-development-scheme/>

Defibrillator - Donnan Park

During the planning session the Shire held with the Football, Cricket and Hockey clubs as high users of the Donnan Park Facilities, a defibrillator at Donnan Park was identified as a priority for the facility. The Shire's Community Development Officer, Kelsey Cox, approached St John's asking if they would consider donating a defibrillator to the facility which they have agreed to do. Well done Kelsey for managing to secure this important piece of equipment for the betterment of our Community. A huge thank you to St John's for the donation of the defibrillator and cabinet for Donnan Park.

Festival of Small Halls

WOW! What a show!

The Festival of Small Halls tour came to the Yorkrakine Hall on Thursday, 4th May and put on a wonderful night of live folk acoustic music. The artists were mesmerising in the way they told a story through their singing. The hall was warmed with around 60 attendees who enjoyed the performances and delicious meals prepared by Sonya's Food Van.

A huge thank you to everyone who came along to support this event and the Yorkrakine Hall Committee for assisting in preparations and setting up.

WHAT'S BEEN HAPPENING

Star Gazing Night

With perfect weather and a beautiful dark nights sky, the Community Star Gazing Night was a hit!

We loved having Astronomical Society of Western Australia travel to Tammin on Thursday, 20th April 2023 to set up their telescopes, equipment and presentation for the community. Viewers got to learn all about certain stars, constellations and clusters. The milky way definitely put on a show enabling us to see so much with the naked eye and even more with telescopes.

Thanks to everyone who joined us on the evening. We hoped you enjoyed it as much as we did!

ANZAC Day Service

On Tuesday, 25th April 2023 the community gathered in the Tammin Memorial Park for the ANZAC Day Service at 10:30am.

Many people assembled to remember and pay respects to the Australian and New Zealand soldiers who fell in World War I, claiming more than 8000 Australian lives.

Lest we forget.

OUTSIDE WORKS

Another busy month for the Shire's hardworking outside crew seeing some exciting upgrades, new & ongoing projects underway:

- The footpaths of Tammin are having a facelift this year with Shield's Street almost complete and works being done on Ridley Street.
- The Tammin Primary School have had a new crossover put in as well as footpaths around the school grounds ready just in time for Term 2.
- Asphalt repairs have been completed near the Post Office to improve the intersection heading into town.
- New Asphalt was laid at the entry to the CBH site leading towards the new section of road joining onto the Southern Link Bypass, increasing the road rating to RAV 7.3.

LOCAL LEGEND

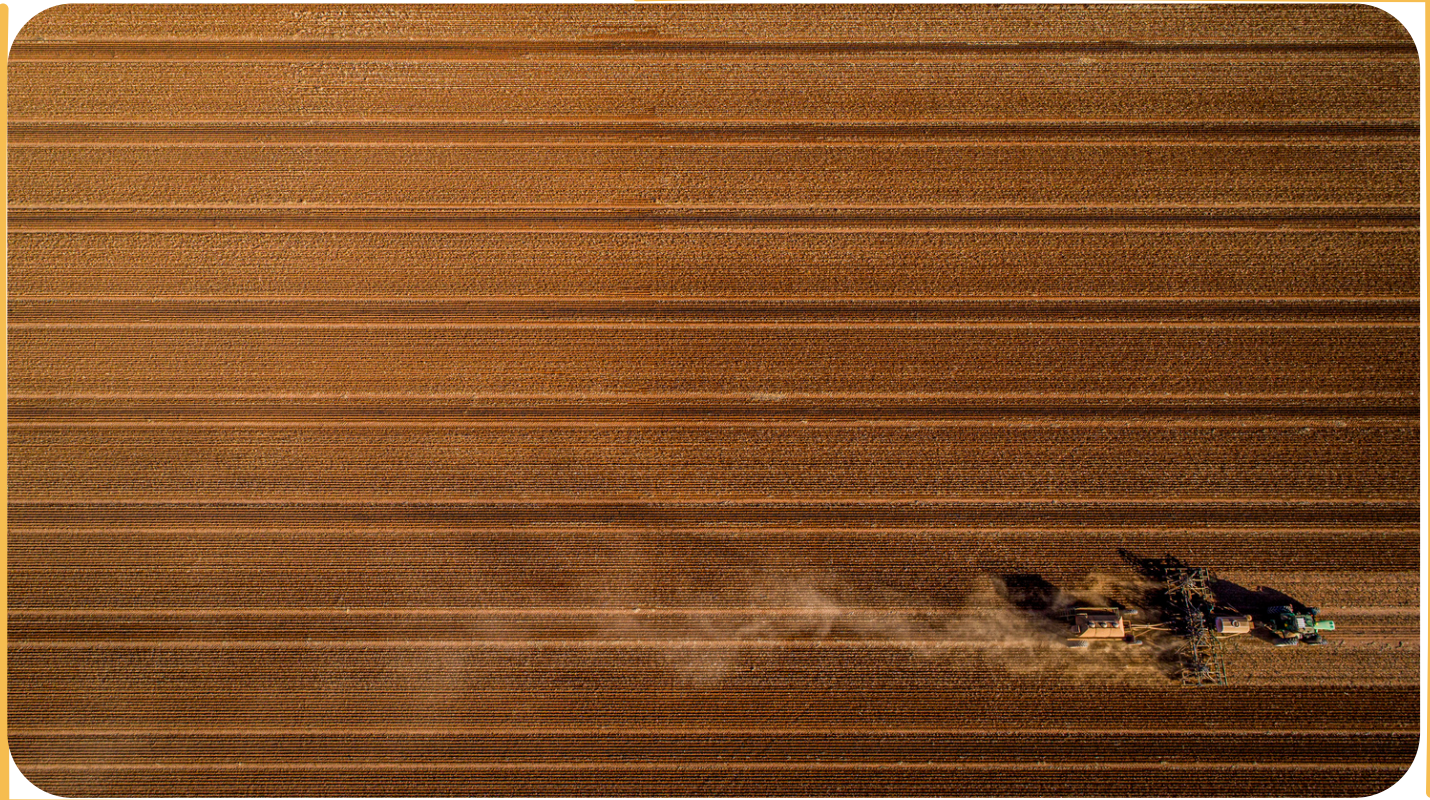

A massive congratulations to our local legend, Pippa Button who has recently played in New Zealand for the 2023 Ocean Trans Tasman Masters Challenge .

Pippa has worked extremely hard in preparation for this tournament! It was fantastic to see her hard work and dedication pay off as being selected to represent Australia.

The Tammin community is super proud of your achievements, what an amazing journey!
