# 11.4 General Electors' Meeting

Author - Graham Stanley, CEO, 10 March 2010 Interest - Nil

#### **ATTACHMENTS**

Copy of 2011 General Electors' Meeting Minutes

#### **BACKGROUND**

The Shire of Tammin General Meeting of Electors was held on 10 February 2011. Minutes of the meeting are attached to this report.

Legislation requires Council to consider the minutes of the Electors' meeting at the next practicable Ordinary Meeting.

Legislation also requires Council to record reasons for its decisions arising from decisions made at the Electors meeting.

#### COMMENT

Although there were no decisions at the meeting requiring Council decisions, issues arising from the meeting included:

- Kadjininy Kep David Martin volunteering to spend half an hour each day on weekends to tend to the Kep water quality issues.
- Storm water collection for oval, parks and gardens.
- David Martin requesting that a letter of thanks be sent to Dustin McCreery for donating native plants over the past 3 years for planting around town.

With regards to the Kep Issue I have been informed that David made this offer in the past and it was rejected by the then Works Supervisor Tom Findlay. I am awaiting advice from our insurers and WALGA Workplace Relations to determine any liability issues that may arise from acceptance of David's offer.

In relation to the storm water issue former Shire President Mr Barry Leslie has offered to assist with investigations into finding alternative water sources including improving the capture of water into the town sports dam. As this will be a long term issue I suggest that Council considers setting up a working party to investigate ways of providing alternative water sources for the watering of the oval, parks and gardens within the Tammin Townsite. Mr Leslie could be invited to join this working party.

Section 5.33 of the *Local Government Act* provides that:

- (1) All decisions made at an electors' meeting are to be considered at the next ordinary council meeting or, if that is not practicable
  - (a) at the first ordinary council meeting after that meeting; or
  - (b) at a special meeting called for that purpose, whichever happens first.

(2) If at a meeting of the council a local government makes a decision in response to a decision made at an electors' meeting, the reasons for the decision are to be recorded in the minutes of the council meeting.

# 11.5 Request to Subdivide Lot 20 Barrack Road Tammin (ASS967)

Author - Graham Stanley, CEO, 11 March 2011 Interest - Nil

#### **PREVIOUS REFERENCE**

Nil

#### **BACKGROUND**

Correspondence has been received from Brian and Dorothy Crook and Kim Michelle Jefferies as joint tenants of Lot 20, 60 Barrack South Road Tammin who seek approval to subdivide the property along an existing internal fence line to create two lots of approximately equal size, both with frontages to Barrack South Road. Lot 20 is currently approximately 60.7 Ha in size.

## **COMMENT**

Council's approval in this case would only be "In Principle" support for a proposed subdivision because the application to subdivide must be made to the WA Planning Commission (WAPC). As part of their process WAPC will consult the Council on the proposed subdivision but the WAPC has the final say on approval regardless of the Council's position. Gaining Council's "In Principle" support is important to the applicants because it will give them the confidence to proceed with their application and incur all the associated costs knowing that the Council is likely to support their application.

The proposal does not appear to be contrary to Council's Town Planning Scheme and it makes a great deal of sense. The property is on the outskirts of the Tammin Townsite in an area that already contains a number of blocks that could be termed "Hobby Farms". It is of sufficient size that the two blocks would not appear out of place and are unlikely to place any further servicing issues on the Shire than already exists.

The property already contains 3 residences and this proposal would see a separate lot being created for one of the residences. It makes sense for each residence to have its own title so creating a separate title for one of the residences is a sound proposal however it would be ideal if three lots were to be created with one residence on each. It should be possible for a surveyor to draw up a subdivision that allows road frontage to each residence and creates three lots of approximately 20 hectares each which would still be in keeping with the amenity of the area.

#### FINANCIAL IMPLICATIONS

Potential for increased rate revenue through the creation of additional lots.

# 13.1 Affixing Common Seal to Agreements

Author - Tanya Greenwood, PRO, 15th March 2011 Interest - Nil

#### PREVIOUS REFERENCE

Nil

#### **BACKGROUND**

- 1) The Shire has received funding from Lotterywest's "Gordon Reid Foundation" for audience development. The funding helps towards the cost of putting shows on at the Kep and the town hall. Country Arts WA has been engaged to bring the show "Erth Dinosaur Petting Zoo" performed by the Erth Physical and Visual Inc. to Tammin on Wednesday 30<sup>th</sup> March 2011. Country Arts has a standard contract that they require all venues where the show is being performed to sign. The contract details what each party is expected to provide and outlines the payment and acquittal requirements that the Shire must meet.
- 2) The Shire of Tammin was successful in its application to the Department of Local Government to receive funding towards the salary of a Trainee Youth Development Officer. The Grant Agreement outlines use of the grant funds together with the project management parameters.

Being contracts both documents requires the affixing of the common seal. The Local Government Act and Council's policy 1.24 "Common Seal" require the authorisation of the Council for the seal to be used.

#### COMMENT

- For the show to come to Tammin the agreement requires signing. The relevant staff members have been made aware of their obligations to ensure that all of the requirements of the contract are met. The authorisation of the fixing of the seal should just be a formality.
- 2) Fixing of the common seal on the Department of Local Government Grant Agreement is necessary to allow the grant amount of \$11,500 to be paid to the Shire of Tammin.

  - (b) it is signed on behalf of the local government by a person or persons authorised under subsection (4) to do so.
- (2) The common seal of a local government is not to be affixed to any document except as authorised by the local government.
- (3) The common seal of the local government is to be affixed to a document in the presence of
  - (a) the mayor or president; and
  - (b) the chief executive officer or a senior employee authorised by the chief executive officer.

- each of whom is to sign the document to attest that the common seal was so affixed.
- (4) A local government may, by resolution, authorise the chief executive officer, another employee or an agent of the local government to sign documents on behalf of the local government, either generally or subject to conditions or restrictions specified in the authorisation.
- (5) A document executed by a person under an authority under subsection (4) is not to be regarded as a deed unless the person executes it as a deed and is permitted to do so by the authorisation.
- (6) A document purporting to be executed in accordance with this section is to be presumed to be duly executed unless the contrary is shown.
