11.3 Sale of Shire Residence at 4 Russell Street Tammin (ASS-1078)

Author – Graham Stanley, CEO, 15th June 2012

DECLARATION OF INTEREST

Nil

PREVIOUS REFERENCE

Nil

BACKGROUND

The 2011-12 Annual Budget made provision for the sale of the Shire residence at 4 Russell Street Tammin. Last year the Council directed me to list the property for sale. A buyer, Caroline Elanor Matthews, has submitted an offer to purchase the property for the sum of \$130,000. Council has previously indicated that it is willing to accept the offer. In accordance with the requirements of Section 3.58 (3) of the Local Government Act 1995, a valuation was obtained and the details of the proposed disposition of the property were advertised for more than 14 days calling for public submissions. No submissions were received. The valuation was provided by licensed valuer Simon Brown AAPI, from Valwest Pty Ltd, who determined a valuation of \$130,000.

COMMENT

The property was on the market for a number of months listed at a price of \$135,000. Considering how quiet the property market has been over the past 6 months and given that the price offered is the same as the independent valuation the offer seems very fare and there would be little to be gained by not accepting the offer.

FINANCIAL IMPLICATIONS

The offer of \$130,000 equals the budgeted income from the sale of the property.

STATUTORY ENVIRONMENT

 - (a) it gives local public notice of the proposed disposition
 - (i) describing the property concerned; and
 - (ii) giving details of the proposed disposition; and
- (iii) inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given;

o io mot givoi

- (b) it considers any submissions made to it before the date specified in the notice and, if its decision is made by the council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.
- (4) The details of a proposed disposition that are required by subsection (3)(a)(ii) include
 - (a) the names of all other parties concerned; and
 - (b) the consideration to be received by the local government for the disposition; and
 - (c) the market value of the disposition —
- (i) as ascertained by a valuation carried out not more than 6 months before the proposed disposition; or
 - (ii) as declared by a resolution of the local government on the basis of a valuation carried out more than 6 months before the proposed disposition that the local government believes to be a true indication of the value at the time of the proposed disposition.
 - (5) This section does not apply to
 - (a) a disposition of an interest in land under the Land Administration Act 1997 section 189 or 190; or
 - (b) a disposition of property in the course of carrying on a trading undertaking as defined in section 3.59; or

11.4 2012 WALGA Annual General Meeting and Local Government Week Convention (OLGOV-12)

Author - Graham Stanley, CEO, 15th June 2012

DECLARATION OF INTEREST

BACKGROUND

The 2012 Western Australian Local Government Convention and Trade Exhibition, , will be held at the Perth Convention and Exhibition Centre between Wednesday 1st August and Friday 3rd August. The WALGA AGM will be held at the beginning of the Convention on commencing at 1.30pm on Wednesday 1st August. In conjunction with Local Government Week WALGA is conducting a series of "Elected Member Training" courses from Monday 30th July to Saturday 4th August. Conveniently for Tammin's Centenary of Football Celebration the convention will finish the previous evening.

COMMENT

A copy of the convention program is included in your agenda envelopes. Actual Registrations are done online and for ease of coordination it would be best that Councillors who intend to attend the convention indicate to the CEO which days they wish to attend, which concurrent sessions they wish to participate in and which nights they will require accommodation for and whether their partners and/or children will be accompanying them and for which they may have special accommodation requirements. The convention booking will then be done by office staff utilising the one Council purchase order.

Once we have all of Council's booking requirements we will then make the convention registrations and make any alterations/cancellations necessary with the accommodation. There is also an interesting "Partners Activities" program. Councillors whose partners would like to attend any of the activities are requested advise me of this so bookings can be made.

A copy of the Elected Member Training information and booking form will also be included in your envelopes. Members wishing to attend any of the courses are also requested to advise me so that bookings can be made.

This year the South East Avon Regional Transition Group (SEARTG) are not meeting at the convention for dinner due to the shortened Convention this year. Instead the SEARTG is organising a dinner somewhere within the region to be held after Local Government Week.

It is important that councillors are aware of what is happening on the local government scene and to become informed of the trends and issues affecting the industry. The ideas that councillors may gain through attending the conference and viewing the trade exhibition and the networking opportunities that the convention provides are invaluable to councillors being effective members.
