Dear Mr Malone

CONTINUATION OF ENDORSEMENT OF BUSHFIRE RISK MANAGEMENT PLAN

Thank you for notifying the Office of Bushfire Risk Management (OBRM) on 8 October 2026 that the Shire of Tammin has completed a review of the Shire's Bushfire Risk Management (BRM) Plan and Bushfire Risk Management System (BRMS) data. I am pleased to advise the Shire of Tammin BRM Plan maintains OBRM endorsement.

OBRM will next require confirmation the Shire of Tammin BRM Plan has been reviewed and BRMS data updated by 31 May 2028. Information on the review process can be found on the Bushfire Risk Management Planning Portal for Local Governments. If you do not have access to the portal, please contact obrm@dfes.wa.gov.au.

As a participant in the BRM Program, the Shire of Tammin will be required to submit an annual report to OBRM detailing progress against the BRM Plan. OBRM will extract much of the required data from the BRMS but will request you respond to a short survey to provide context. The next survey will be in July 2027

Thank you for your commitment to managing bushfire risk and I wish you well in implementing the Plan.

Yours sincerely

Glen Daniel
