Purpose of Report

For Council to receive the Monthly Financial Statement.

Background

Enclosed is the Monthly Financial Report for the month of March 2026 inclusive of the Statement of Financial Activity, Current Ratios and Capital Expenditure Report.

Comment

The Shire has continued to demonstrate a sound and stable financial position. Core operational and maintenance activities have progressed as planned, and the 2025–26 roads sealing program was successfully completed during the month.

Cash flow remains favourable, underpinned by strong rates collection earlier in the financial year. This ongoing financial stability positions the Shire well to support the increased level of activity anticipated in the latter half of the financial year.

Financial Implications

There are currently no financial implications as income and expenditure is in accordance with Budget. Amendments will be made at Budget review in terms of Grant Income and Expenditure.

Statutory Implications

Local Government (Financial Management) Regulations 1996

34. Financial activity statement report — s. 6.4

(1A) In this regulation — **committed assets** means revenue unspent but set aside under the annual budget for a specific purpose.

(1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —

- a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);
- b) budget estimates to the end of the month to which the statement relates;
- c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
- d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and
- e) the net current assets at the end of the month to which the statement relates.

(2) Each statement of financial activity is to be accompanied by documents containing —

- a) an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;
- b) an explanation of each of the material variances referred to in sub regulation (1)(d); and
- c) such other supporting information as is considered relevant by the local government.

(3) The information in a statement of financial activity may be shown —

- a) according to nature and type classification; or
- b) by program; or
- c) by business unit.

(4) A statement of financial activity, and the accompanying documents referred to in sub regulation (2), are to be —

- a) presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and
- b) recorded in the minutes of the meeting at which it is presented.

Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

Policy Implications

Council resolved that in accordance with Regulation 34(5) of the *Local Government (Financial Management) Regulations 1996* a variance percentage of 10% or \$10,000, whichever is greater, be adopted for reporting material variances.

13 MATTERS FOR CONSIDERATION – ADMINISTRATION

13.1 Request for Storage Shed at Golf Club

Location:	Shire of Tammin
Applicant:	Manager of Finance and Corporate Services
Date:	16 April 2026
Author:	Codey Redmond
Item Approved by:	Chief Executive Officer
Disclosure of Interest:	Pr Thomson, Cr Rogers CEO A Malone
File Reference:	Nil
Attachment/s:	Nil

Purpose of Report

For Council to consider and approve a request for the construction of a storage shed at the Tammin Golf Club.

Background

The Tammin Golf Club has identified a need for additional storage space to securely house maintenance equipment and materials and aged members personal buggies. The storage will also be utilised by the Tammin Playgroup who are utilising the Golf Club.

Several of the Club's members are ageing, and many are experiencing increasing difficulty in transporting heavy golf buggies to and from the Club. Providing dedicated storage at the Golf Club will improve accessibility, encourage continued participation in the sport, and support the wellbeing and inclusion of senior members within the community.

The Tammin Playgroup has reformed and are currently utilising the Golf Club for their playdates. The Uniting Church space previously used cannot be utilised as the building as been determined to be unsafe due to structural issues. All of Playgroup's toys and equipment have been removed from the Uniting Church. This equipment is currently being sorted and when complete will be moved to the Golf Club to be used by the Playgroup. The Storage Shed will ensure safe and suitable storage of the Playgroups toys and equipment.

A request has been submitted to the Shire seeking Council approval to construct a storage shed on Golf Club land under the management of the Shire.

Comment

A Consideration was already being considered in the upcoming 2026/27 budget for a sea container to be installed for storage. This option was assessed and although it would be budget friendly, would not be as accessible and be more unsightly than a shed.

As Golf season starts in April, the club has requested council bring forward their request to the 2025/26 year.

The proposal is considered consistent with the Shire’s ongoing support of community sporting facilities. Subject to Council approval and compliance with relevant planning and building requirements, the construction of the storage shed is considered appropriate.

Financial Implications

We have sought Quotes for an appropriate 6m x 4m kit shed and concrete pad and anticipate total Cost being around \$11,000.
