Attachment/s:	Attachment Item 12.3 - Request Email 14 June 2023

Purpose of Report

For Council to determine a sponsorship request from the Kellerberrin Tammin Football Club.

Background

A request has been received from the Kellerberrin Tammin Football Club asking if the Shire would sponsor the Indigenous jumpers that they have had made.

Comments

An email from the President of the Kellerberrin Tammin Football Club was received on the 14th of June 2023 asking if the Shire would sponsor their Indigenous Jumpers which they plan to wear during the NAIDOC round at their home game in Tammin on the 1st of July.

The email mentions that they would recognise the Shire if we were to sponsor the jumpers but does not detail how they would do this.

They plan to retain and use these jumpers for 4 seasons, wearing them for 1 or 2 rounds each season. They hope to create discussion about the jumpers in the hope to encourage more people to help design the next round of jumpers in a few years time.

The club have also supplied a copy of the invoice for the jumpers which show they came to a total cost of \$2,004.75. The request does not specify if they are seeking sponsorship for the whole or part of the cost.

The Shire has \$1,550 remaining in its Donations Budget for the 22/23 financial year which is about to come to a close. If Council would like to support this initiative Council could resolve to donate the remainder of the budget they have left or alternatively they could consider donating 1/3 of the total costs in line with the Community Grants program.

13 MATTERS FOR CONSIDERATION – ADMINISTRATION

MATTERS FOR CONSIDERATION – ADMINISTRATION

13.1 Review of Shire of Tammin’s Register of Delegations – June 2023

Location:	Shire of Tammin
Applicant:	Shire of Tammin
Date:	19 June 2023
Author:	Chief Executive Officer
Item Approved by:	Chief Executive Officer
Disclosure of Interest:	Nil
File Reference:	Nil
Attachment/s:	Attachment Item 13.1 – Delegation Register June 2023 Track Changes Version Attachment Item 13.1 – Delegation Register June 2023 Changes Accepted

Proposal/Summary

Under s. 5.46 of the *Local Government Act 1995* (the Act) the CEO is to maintain a register of delegations that must be reviewed by Council at least once every financial year. This report brings a formal review before Council as per the legislative requirements.

Background

Under s. 5.42 of the *Local Government Act 1995*, a local government may delegate to the CEO the exercise of any of its powers or the discharge of its duties under the Act. This is subject to the limitations in s. 5.43, and Regulation. This section states:

5.43 . Limits on delegations to CEO

A local government cannot delegate to a CEO any of the following powers or duties:

- (a) any power or duty that requires a decision of an absolute majority of the council;*
- (b) accepting a tender which exceeds an amount determined by the local government for the purpose of this paragraph;*
- (c) appointing an auditor;*
- (d) acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government for the purpose of this paragraph;*
- (e) any of the local government’s powers under section 5.98, 5.98A, 5.99, 5.99A or 5.100;*
- (f) borrowing money on behalf of the local government;*
- (g) hearing or determining an objection of a kind referred to in section 9.5;*
- (ha) the power under section 9.49A(4) to authorise a person to sign documents on behalf of the local government;*
- (h) any power or duty that requires the approval of the Minister or the Governor;*

(i) such other powers or duties as may be prescribed.

The Shire of Tammin's Delegations Register was last reviewed by Council in March 2022 and therefore requires a review by June 2023.

Comments

The annual review process does not preclude the Council from granting new delegations to the CEO if and when required, nor for it to review existing delegations at any time during the course of the financial year.

A review of the Shire of Tammin's Register of Delegations has been undertaken against the WALGA template delegations manual. This review has highlighted an additional delegation that has been added, being the Recovery of Rates Debts – Actions to Take Possession of the Land delegation.

The other minor change is to change is one to staff member title from Manager of Finance and Administration (MFA) to Manager of Finance and Corporate Services (MFC). For completeness this has also been updated through the register.

Council may place limits on each delegation, including who a sub-delegation is permitted to be made to. Unless there is a specific need for a restriction, no comment is made but has been left to the CEO's discretion. The CEO is not required to further delegate, except in some instances as outlined. The CEO may impose further restrictions on any sub-delegation, so that the recipient of the sub-delegation is required to comply not only with the limits as resolved by Council, but also any restriction place by the CEO.

13.2 New Policy – Curtilage Policy

Location:	N/A
Applicant:	Shire of Tammin

Author:	Manager of Finance & Corporate Services
Item Approved by:	Chief Executive Officer
Disclosure of Interest:	Nil
File Reference:	Nil
Attachment/s:	Attachment Item 13.2– Draft policy – Curtilage Policy

Proposal/Summary

This item brings a new Curtilage Policy before Council and seeks a Council resolution to implement a policy relating to curtilage.

Background

Each Shire is required under the Local Government Act 1995 to adopt a curtilage policy where offered to ratepayers. The Shire presently has no curtilage policy in place. Section 28(2) of the Rates and Charges (Rebates and Deferments) Act 1992 provides that:

*“Where although land is used as the ordinary place of residence of an applicant or registered person it is not the sole use of that land, the administrative authority may apportion the prescribed charge, and any rebate allowable, according to
(a) the extent to which the land is so used as a place of residence; and
(b) any other use,
On a basis proportionate to the respective uses.”*

This provision enables an administrative authority (the Shire of Tammin) to allow a concession, in an equitable way, to the part of the rates levied relating to the residential use of a commercial property, if the circumstances warrant. For example, if a pensioner resides in a house that is on land also used for cropping.

This policy was created to identify the method that the Shire of Tammin will use to determine the pensioner rebate on curtilage/dual use properties.

Comment

Currently the Shire does not have an existing policy. Where curtilage is offered by a Shire, the method of determining curtilage is to be identified through council approved policy. We currently have a pensioner receiving a partial rebate/curtilage and therefore a policy must be implemented.

Proposal/Summary

This item brings a new Rates Exemption Policy before Council and seeks a Council resolution to implement a policy relating to Rates Exemption.

Background

Each Shire is required under the Local Government Act 1995 to adopt a Rate Exemption Policy. The policy is to provide a framework by which Rates Exemptions can be claimed.

This policy is applicable to ratepayers within the Shire of Tammin who are eligible to apply for:

- Land to be considered not rateable land pursuant to section 6.26(2) of the *Local Government Act 1995* (hereinafter referred to as a rate exemption);
- A waiver or concession on relation to rates or service charge pursuant to section 6.47 of the *Local Government Act 1995*.

This policy does not apply to ratepayers who are eligible for a rate concession pursuant to the *Rates and Charges (Rebates and deferrals) Act 1992*.

Comment

The Shire of Tammin does not currently have a Rates Exemption policy to determine where Rate exemptions can be applied. The proposed Rate Exemption Policy is based on the WALGA template and both the Best Practice Guideline and proposed policy are attached to this item.

Proposal/Summary

To seek Council approval to grant a Rates Exemption for Uniting Church, Assessment number 1151, located at 46 Walston Street. Uniting Church currently own the property and were previously granted a Rates Exemption due to religious exemption Place of worship, convent under the *Local Government Act 1995 Section 6.26(2)(d)*.

Background

Recently the Shire undertook a Rate Exemption review of existing ratepayers receiving exemptions from as required by the *Local Government Act 1995*. The Shire is required to periodically review properties (within a maximum period of three years) previously classified as exempt to ensure that the use of land still qualifies as used for religious purposes.

Following this review, we have received an application from Uniting Church for a Rates Exemption under a religious exemption.

Comment

Currently the Uniting Church has had an exemption based on religious grounds since ownership of the property. Currently the property is used for Church services on a monthly basis as well as funerals, fellowship and prayer.

The stated grounds of use, does meet the religious exemption basis under the *Local Government Act 1995 Section 6.26(2)(d)*.

Council, by not approving the application for rate exemption may be required to defend its decision if the matter were to be appealed by the applicant to the State Administrative Tribunal and legal costs may be incurred as a result.
