To Tammin Council,

I am writing on behalf of Emily Steele who will be competing in the upcoming Nationals in Brisbane, QLD. The Nationals will be held at Logan Metro Sports Complex on the 18th of November.

Emily will be competing in two events. Emily is also apart of the GKR Karate Western Australian Competition Team, which is a selection only team dedicated to training for competitions. To qualify for Nationals students must have medaled at a local WA competition, which Emily has done on several occasions this year.

If you have any questions please do not hesitate to call or email.

Kind regards,
