13.2 Office Closure – Christmas/New Year Period December 2023

Attachment/s:	Nil

Proposal/Summary

Council to consider the closure of the Shire Administration Office over the Christmas and New Year period in December 2023.

Background

The Shire office has traditionally been closed over the Christmas and New Year period.

Comment

Previously no complaints or adverse comments have been received in relation to the office closure. At the 28 September 2022 Ordinary Council meeting, a policy in relation to Local Government Public Holidays was adopted. This policy is inclusive of two additional holidays commonly known as Public Service Days, one of which affects the Christmas Closure.

Given the timing of the Christmas and New Year holidays it is proposed that the Office be closed for the period commencing Friday 22 December 2023 to Monday 1 January 2024. The Office will reopen on Tuesday, 2 January 2024.

As a general rule no significant business is conducted between the Christmas and New Year period, therefore it is considered an ideal time to close the office and allow staff to enjoy a safe, relaxed festive period with their families.

Notification of the office closure will be advertised to the public leading up to the closing period. The item is being put forward now so that staff have plenty of notice and can plan their end of year accordingly.

Ordinarily, three days of annual leave is required to be taken by staff to cover the office shut down period.

Last year Council moved an amendment to the officer recommendation to authorise staff to take the three days required as extra paid leave and not require them to use their annual leave entitlements.

The reasons Council gave for this amendment are as follows:

Council recognise the work and commitment of staff over the year and acknowledge that while the Shire of Tammin has a limited budget to reward employees through salary rates that this is an opportunity to alternatively rewarded staff.

Therefore, two proposed options are being put forward for Council consideration:

Option 1:

Friday 22 December 2023	Local Government Public Holiday	Office Closed
Saturday 23 December 2023	Weekend	Weekend
Sunday 24 December 2023	Weekend	Weekend
Monday 25 December 2023	Christmas Day Public Holiday	Office Closed
Tuesday 26 December 2023	Boxing Day Public Holiday	Office Closed
Wednesday 27 December 2023	Staff utilise leave entitlements	Office Closed
Thursday 28 December 2023	Staff utilise leave entitlements	Office Closed
Friday 29 December 2023	Staff utilise leave entitlements	Office Closed
Saturday 30 December 2023	Weekend	Weekend
Sunday 31 January 2024	Weekend	Weekend
Monday 1 January 2024	Public Holiday – New Years Day	Office Closed
Tuesday 2 January 2024	Nil	Office Open

Option 2:

Friday 22 December 2023	Local Government Public Holiday	Office Closed
Saturday 23 December 2023	Weekend	Weekend
Sunday 24 December 2023	Weekend	Weekend
Monday 25 December 2023	Christmas Day Public Holiday	Office Closed
Tuesday 26 December 2023	Boxing Day Public Holiday	Office Closed
Wednesday 27 December 2023	Extra paid leave	Office Closed
Thursday 28 December 2023	Extra paid leave	Office Closed
Friday 29 December 2023	Extra paid leave	Office Closed
Saturday 30 December 2023	Weekend	Weekend
Sunday 31 January 2024	Weekend	Weekend
Monday 1 January 2024	Public Holiday – New Years Day	Office Closed
Tuesday 2 January 2024	Nil	Office Open

Financial Implications

If option 1 is adopted, then leave is taken as annual leave and/or RDO entitlement thus reducing the accumulated leave provisions within the FY2023/24 budget. If option two is taken, then whilst there is no increased cash cost it does result in three days of lost production when employees take the three days annual leave that they weren't required to take during the office shut down.

The Shire currently only has one employee that has a leave balance in excess of their annual leave entitlement, and they have upcoming leave scheduled next week that will bring their accrued balance back under their annual entitlement.

Strategic Implications

Officers Recommendation

That Council:

1. Approve the closure of the Shire Administration Office during the Christmas and New Year period from Friday 22 December 2023 to Monday 1 January 2024 inclusive, reopening on Tuesday, 2 January 2024;
2. That leave required for the office closure period be in accordance with option ____; and,
3. Advertise the Administration Office closure to the public leading up to the Office closure.

15.1 Request for Freehold Land Transfer or Management Order

Date:	16/08/2023

Attachment/s:	

Proposal/Summary

For Council to consider the proposed preferences to be put forward to the Department of Planning, Lands and Heritage (DPLH) regarding Lot 13 on Diagram 16918.

Background

It has recently come to the administration’s attention that the Shire of Tammin currently has no legal interest in the land at Donnan Park. The Shire has significant infrastructure invested at this site and therefore it is prudent to secure some kind of interest in the land. The land is currently under freehold title by the State of Western Australia.

Comment

As this land is currently in freehold title and not a crown reserve the recommendation is to request that the freehold title be transferred to the Shire of Tammin. The Shire have a long history at the site and have invested a significant amount in infrastructure and it is on that basis that the request for a transfer be made to DPLH. If DPLH deny the Shire’s request for a straight transfer of freehold land to the Shire then it is recommended that a subsequent request be made to DPLH to convert the freehold title to a crown reserve and issue a Management Order to the Shire of Tammin.

Financial Implications

There would be some financial costs in relation to the conveyancing costs to facilitate the transfer of the land should DPLH be willing to progress this option.

Strategic Implications

Officers Recommendation

That Council authorise the Chief Executive Officer to make the following requests from the Department of Planning, Lands and Heritage in preference order:

- 1) That the freehold title to Lot 13 on Diagram 16918 be transferred to the Shire of Tammin in recognition of its historical use of the site and the significant investment it has made in the infrastructure at the site.
- 2) That in the event that the freehold title is not transferred to the Shire of Tammin that the Department of Planning, Lands and Heritage be requested to convert Lot 13 on Diagram 16918 to a Crown Reserve and a Management Order be granted to the Shire of Tammin.

15.2 Private and Confidential - Land Settlement

File Reference:	Nil
Attachment/s:	Attachment Item 15.2 - Proposed Subdivision Map Attachment Item 15.2 - Civic Legal – Advice on possible conveyancing error Attachment Item 15.2 - Bundled documents Attachment Item 15.2 - Deposited plan

Proposal/Summary

For Council to recognise a Budget Review item necessary due to the delayed timing of the land settlement for the Southern Link project.

Background

As part of the Southern Link project, the Shire of Tammin was required to obtain land from two different land owners for the placement of the new road (Gary and Louise Caffell and Barry and Jessica Jones). To facilitate that process a subdivision was required to tidy up the property boundaries that would be affected by the placement of the road. Attachment 1 shows the proposed subdivision and the amendments being made.

Horizon Surveys lodged the new deposited plan with Landgate on the 19th of August 2022. This meant the new lots were 'in order for dealings' and that the new titles created could be applied for. CS Legal were engaged by the Shire on the 12th of October 2022 to apply for the new titles and facilitate the purchase of the land required for the new road. As the Shire initiated the project it instructed CS Legal to operate on behalf of all parties with the Shire paying all the associated costs.

On the 21st of April 2023 CS Legal forwarded duties assessment notices they received from Revenue WA in relation to Stamp Duty payable in relation to the transfer of land documents that CS Legal had lodged. The Shire of Tammin is exempt from stamp duty and as the Shire was the only entity to gain any land out of the project the Shire's administration were concerned that there had been a misunderstanding of the transaction by Revenue WA. The duties notices issued were for \$5,035 and \$24,890 respectively.

The Shire's CEO, Joanne Soderlund, raised the matter with CS Legal who passed on the details of the revenue officer at Revenue WA who was looking after this transfer. On the 28th of April an email was sent to the revenue officer that showed exactly what land was being acquired by the Shire and that the other subdivision changes were merely to tidy up the boundaries of properties caused by the

placement of the road. Despite several follow up's a response to this was not received from the Revenue Officer until the 30th of June.

After some further communication with both CS Legal and the Revenue Officer, the CEO became very concerned that CS Legal had made errors in the applications for new titles and transfer of land documents that they prepared and had signed by the Caffell's and Jones's (the Shire of Tammin were not party to these transactions and as such did not see this documentation until a copy was sent to us on the 3rd of July 2023).

Despite assurance from CS Legal that the documents had been completed correctly the Shire engaged the lawyers that prepared the original contract documents, Civic Legal, to review what CS Legal had prepared in relation to the land settlement and new titles. Civic Legal don't do conveyancing and that is why they were not originally engaged to look after the settlement.

Comment

The legal advice received from Civic Legal is attached in full to this agenda item. Whilst there are some minor issues that were noted in the advice the most concerning relates to the incorrect and unnecessary transfer documents that were prepared that essentially gave both parties (Caffell's and Jones's) all equal and joint interest in all the new lots that were being created. This is why Revenue WA were coming back with duties payable as what CS Legal had lodged involved land being transferred between the two parties.

Civic Legal have now been engaged to resolve all the issues highlighted in line with the recommended rectification outlined in their advice. CS Legal have not been paid for any work they have completed so far and will not be paid anything given the significant errors that they have made.

When the 23/24 Annual Budget was drafted it was expected that settlement would have taken place for these lots. Due to the issues outlined in this report that has not occurred. As such it is expected that our carried forward surplus will be more than what was predicted in the 23/24 Annual Budget, as the surplus calculation assumed that this matter would have been settled late in the 22/23 financial year. Therefore, a budget amendment will be required in the 23/24 financial year. It is recommended that the formal budget amendment be made as part of the mid-year budget review when the audited carried forward surplus is known.

Financial Implications

Civic Legal have quoted \$8,000 to carry out the recommended rectifications plus a few hundred dollars of conveyancing costs and landgate fees. CS Legal estimated fees were going to be approximately \$6,000. These will not be paid as outlined in the report.
