

04 June 2026

Shire President and Chief Executive Officer
Shire of Tammin
PO Box 53
Tammin WA 6409

Dear Shire President and CEO,

On behalf of the Tammin Primary School P&C Association, I would like to extend our sincere gratitude to the Shire of Tammin for your ongoing support of our school and wider community.

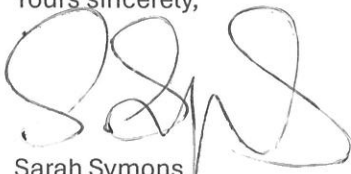

The partnership between the Shire and Tammin Primary School is one that is deeply valued by our students, families, staff and volunteers. Your support, whether through community grants, assistance with maintaining and improving the school grounds, provision of resources, or the many other ways the Shire contributes behind the scenes, plays an important role in enhancing the educational environment and wellbeing of our children.

The improvements and upkeep of the school grounds help create a welcoming, safe and enjoyable space for students to learn and play. Likewise, the financial support provided through grants enables the P&C to undertake projects and initiatives that directly benefit our students and enrich their school experience.

As a small rural community, we are fortunate to have a local government that recognises the importance of supporting its school. The Shire's commitment to investing in our children and their future does not go unnoticed, and we are incredibly appreciative of the positive impact your contributions continue to have.

Please accept our heartfelt thanks for your generosity, partnership and ongoing dedication to the Tammin community. We look forward to continuing to work together to support Tammin Primary School and the young people it serves.

Yours sincerely,

Sarah Symons
President
Tammin Primary School P&C Association
