

22<sup>nd</sup> March 2023

To Ruby York,

On behalf of Indoor Sports WA, I would like to formally congratulate you on your selection for the Western Australian State Indoor Cricket (Western Wolves) 17's and Under Girl's team. You will be representing WA at the 2023 Cricket Australia Junior National Indoor Cricket titles to be held in Ipswich - Queensland (2<sup>3rd</sup> June – 2nd July 2023).

In addition to your cricketing skills your personal attributes such as dedication and sportsmanship during the trials have also been taken into consideration for your State selection. You should be proud of your efforts thus far.

The cost of the tour is estimated to be between \$2,500.00 and \$2,900.00 per player which includes team registration, flights, buses, accommodation, meals (some food money will still be required), uniform and sports trainer fees. However fundraising efforts and generous community grants can assist greatly in reducing this amount for you and your family.

Team contacts are as follows:

Mel Jecks (Coach) – 0410945761

I will be in contact with training information very soon. It is anticipated that training will be on a weekly basis initially.

Prior to travel all players will be required to read and agree to a code of conduct and parents will be asked to sign this on behalf of their child.

Kind regards

Mel Jecks
