We would firstly like to send a heartfelt thanks to all our 2022 sponsors who made the event hosted by IDFA possible. The year was a great success, and we hope you are proud to have supported the underprivileged, special needs and disadvantaged children of Kalgoorlie.

We are delighted that Circus Quirkus is here for 2023. **The Immune Deficiencies Foundation Australia (IDFA) are a DGR listed, registered charity who raise awareness, provide education programs and advocate on behalf of those living with immune deficiencies.**

As you would know, the COVID-19 pandemic is a difficult time for all, but especially for the children and families living with immune deficiency disorders who are unable to fight infections. IDFA does not receive any government support, meaning that your sponsorship is more important than ever before in supporting Australians living with immunodeficiencies.

In addition to raising funds for IDFA, this event continues to provide support for the local special needs and the underprivileged and disadvantaged children and their families. It gives them a chance to laugh, have fun and just be themselves for a day. We are certain that you can appreciate the therapeutic outcome of this event will be of greater significance than we have seen before.

### STREAMED EVENT FOR THE WHOLE MONTH OF AUGUST

#### SPONSORSHIP OPTIONS:
