 If RAV access is endorsed, as the road owner please specify any access conditions that you would like Main Roads to consider (i.e. No operation on unsealed road when visibly wet, without road owner's approval, Headlights to be switch on at all times etc.)
If RAV access is not endorsed please provide reasoning behind your decision.
 NOTE - If condition CA07 (Current written support from the Road Asset Owner, endorsing use of the road, must be obtained, carried in the vehicle and produced upon request.) is required, the road owner is responsible for the administration of condition CA07.

As the road owner you are required to conduct a preliminary assessment of the requested road/s to ensure there are no obvious issues that would deem RAV access unsuitable.

I support the above decisions, subject to Main Roads final approval.
