Message from the President..

Greetings to everybody and I hope that the rain has been helping.

As you know there have been a few changes to the Shire staff and Council in the last few weeks so it's with sadness we say goodbye to Sarah our CDO, who has decided that the pitter patter of little feet needs her undivided attention, we will miss her calm smile and serenity. Greg our Manager of Works & Services has decided to broaden his career and will be missed by the outside staff and our thanks for the amazing roads transformation. And due to work commitments we said goodbye to Carol Crane who has been on Council for almost 7 years whose passion and dedication to the Tammin community will not be forgotten. This means that we are now looking for a person who would like to step up and take over her position and be a Councillor. (Please contact the Shire Office for further information)

As you will all have noticed we have completed the Tennis Courts as promised and will hopefully finish the landscaping soon, please enjoy the facilities, one and all.

Upgrades to Donnan Park are almost finished and its with great pride that the Council has been able to increase the seating area inside for the comfort of all and now planning to continue the upgrade of the kitchen in the next few years. We are also underway with enlarging and fencing the family/kids area with extra equipment for the community to use.

As President I would like to thank Neville, the CEO, the office staff and outside staff for all their hard work and fellow Councillors for their combined effort to improve our Shire.

National Walk Safely to School Day

Now in its 19th year, National Walk Safely to School Day is an annual event when all Primary School children will be encouraged to walk or commute safely to school. It is a Community Event seeking to promote Road Safety, Health, Public Transport and the Environment.

On Friday, 18th May the Tammin Primary School students did a walk around the surrounds of the school, then came to the Memorial Park when they had a discussion about road safety then broke off into small groups to read picture books with safety messages.

INVESTMENT IN EMERGENCY SERVICES

The State Government will invest an additional \$128.5 million over the next four years to strengthen community safety and provide critical emergency services. This is in recognition of community feedback following a series of catastrophic bushfires as well as climate change impacts and the State's increasing population.

The 2018-19 Emergency Services Levy (ESL) will provide facilities, equipment and resources, protective clothing, uniforms, vehicles and training for Western Australia's fire and emergency services personnel, both career and volunteer.

The ESL also supports specialist activities such as fire investigations, building inspections, emergency planning and community safety programs.

Every cent raised from the ESL will go back into emergency services throughout the State to improve the safety of our personnel and the community.

This year's ESL, which will modestly increase up to 10 per cent, will also fund a new Rural Fire Division dedicated to improving bushfire management.

ESL CHARGES 2018-19

ESL charges reflect the type of emergency services available to a property. The ESL category classification of your property is shown on the rates notice. In 2018-19 ESL charges will raise \$391 million across the State.

Properties classified ESL category 1 to 4 are charged based on the gross rental value (GRV) determined by the Valuer General and the declared ESL rate for that category. Charges are subject to declared minimum and maximum thresholds based on property use. Properties classified ESL category 5 attract a fixed annual charge.

ESL Category	ESL Rate (per \$GRV)	Minimum & Maximum ESL Charges by Property Use			
		Residential, Farming and Vacant Land		Commercial, Industrial and Miscellaneous	
		Minimum	Maximum	Minimum	Maximum
1	\$0.014486	\$82	\$430	\$82	\$245,000
2	\$0.010864	\$82	\$322	\$82	\$183,000
3	\$0.007243	\$82	\$214	\$82	\$122,000
4	\$0.005070	\$82	\$150	\$82	\$85,000
5	Fixed Charge \$82	\$82	\$82	\$82	\$82
Mining Tenements	Fixed Charge \$82	\$82	\$82	\$82	\$82

ESL CONCESSIONS

If you are a pensioner or senior who qualifies for a rebate on your council rates, you will receive the same percentage of rebate on your ESL charge. These rebates are generally combined and printed as one amount on the council's rates notice for your property.

LATE PAYMENT INTEREST

A late payment penalty of 11 per cent interest per annum is charged where the ESL payment is received after the due date, detailed on your rates notice.
