Roll up for WA

COVID-19 Vaccination

rollupforwa.com.au 

We've all worked together to keep Western Australia one of the safest places in the world.

To protect our lifestyle here in WA, there's one more thing we need to do. We need to roll up our sleeves and get vaccinated for COVID-19. The more people who do, the more we protect our families, friends and community.

Western Australia, it's time to roll up your sleeve.

All people living in Western Australia aged 30 and over will be eligible to book their COVID-19 vaccination.

Aboriginal and Torres Strait Islander people aged 16 and over are also eligible to get vaccinated now, in line with a decision made at National Cabinet last week.

Getting vaccinated is one the most effective ways to protect yourself and your loved ones from COVID-19.

Booking your vaccine appointment has never been easier. To register and book visit: www.rollupforwa.com.au

June Works Report

The Shire crew is now working on maintenance works throughout the Shire, maintenance grading in the south part of the Shire, culvert cleaning and repairs in the north part of the Shire. We are taking advantage of the ground moisture to do maintenance grading.

New Speed Display signs have been installed on the Tammin Wyalkatchem Rd and McLaren Rd, as a reminder of the speed limits in town. These signs will also be moved around town and on the Great Eastern Hwy to remind all road users to slow down through our town.

New basketball and Netball towers have been installed at the Oval and repairs have taken place on the playing surface, we hope the community will enjoy the facility and take the opportunity to go out and play.

The kitchen at the Coinda Op-Shop has been refurbished and is now looking near new and welcoming for all of those who are having morning tea.

On another note, some damage has been done to the “pencil” at the entrance of the Donnan Park, after review of the camera footage it appears that a very large truck may have caused it on the night of the 21st of June. The matter has been reported to the police.

Keep warm, take care and stay safe.

If you have any road or maintenance related issues please contact Fabian via email at
