Administration Office.

RSLWA TAMMIN BRANCH REMEMBRANCE DAY

Thursday 11th November 2021

Time: 10.45am

Tammin Memorial Park

CMT Seniors BE HAPPY DAY 18th October 2021

The CMT Seniors hosted a Be Happy Day in the Meckering Town Hall on Monday 18th October. The Tammin Seniors were joined by 48 seniors from Cunderdin, Meckering, Kellerberrin, Bruce Rock and Northam to enjoy a lovely morning tea and lunch.

With support from Mia Davies Local Hero's Grant we were able to secure Dianne from Perth Chair Dancing who was fabulous at showing how active you can be from a seated position.

Injury Matters and Stay on Your Feet partnered with the CMT Seniors for this event. Through this partnership a presentation was delivered on pharmaceuticals and healthy eating plans. Northam Health Centre perform health checks (BP, Sugar and Falls Risks)

We were delighted to be entertained by the students from the Meckering Primary School who encouraged participation from many of the seniors in attendance.

Dog & Cat Registrations

Are now overdue. Registering your dog or cat is a legal requirement under the 1995 Dog ACT.

SHIRE OF TAMMIN PUBLIC NOTICE OFFICE CLOSURE

The Shire Administration Office will be closed from 11.30am – 12.30pm
Tuesday 2nd November 2021.

For urgent matters please contact Joanne Soderlund, Chief Executive
Officer on 0499 300 655.

We apologise for any inconvenience.

Government of Western Australia
WA Country Health Service

Hello Tammin,

For those of you I haven't had the opportunity to meet yet, my name is Joanne Soderlund and I am privileged to be the new Chief Executive Officer for the Shire of Tammin. I have relocated here full time with my husband Rik and children Kimberley and Hudson. Although we have only been here for 2 weeks, it already very much feels like home.

I would like to briefly thank everybody we have met so far for making us feel so welcome in this wonderful little community. For those of you I haven't met yet, I look forward to doing so soon.

I'd also like to take this opportunity to acknowledge the amazing work the Shire team has done during this transitional period, in particular, Fabian Houbrechts and Morgan Ware who have made the process a simple and seamless one.

There are certainly exciting times ahead for the Shire of Tammin and I would welcome any input, suggestions and feedback community members have regarding the Shire. I can already see what a generous, close-knit community this is and I strongly believe that by working together we can achieve amazing outcomes.

Finally, if you are passionate about Tammin and have ever thought about becoming a Councillor, now is your chance. The Tammin Shire is holding an extraordinary election to fill the last remaining vacancy on Council. Nominations will open this Thursday the 4th of November and will remain open until Thursday the 11th of November.

Should you wish to get in touch with me, please feel free to pop in and see me at the Shire office or I can be contacted on:

E: ceo@tammin.wa.gov.au

P: 0499 300 655

Joanne Soderlund
Chief Executive Officer

The CMT Seniors Committee invites you to attend our

CMT Seniors Road trip

\$10

Join us for a fun bus trip to Toodyay and surrounds. We will enjoy morning tea, visit DromeDairy for a camel farm tour, lunch in Toodyay and have some free time to browse the shops in Toodyay.

MONDAY, 22 NOVEMBER 2021

8.45am - 4pm

BOOK NOW - LIMITED SEATS AVAILABLE

Raffle tickets and prizes on the bus!

**RSVP by 15 November 2021 to the
Shire of Cunderdin on 9635 2700 or
Shire of Tammin on 9637 0300**

Southwest Yilgarn Exploration Project

Dear Landowner,

Activity Notice—Regional Airborne Survey Southwest Yilgarn Exploration Project

Anglo American has been granted permits to explore an area of around 10,000 square kilometres in the Wheatbelt region of Western Australia, about 230 kilometres east of Perth.

The Southwest Yilgarn Exploration Project is early stage exploration work and will include low impact data collection activities over a 12–18 month period. The project is exploring for base and precious metals including battery metals such as copper and nickel.

The commencement of the project involves an airborne electromagnetic (AEM) survey for approximately a five month period starting in late 2021. The flight path is from the Shire of Cunderdin in the north to Dumbleyung in the south and requires **a single pass only** by the helicopter along spaced flight lines 400 metres apart.

As the project advances, further information specific to your area is scheduled to be published in your local shire newsletters.

AEM survey method and what you may see

AEM surveys are widely used by government and industry for mapping rock types and minerals underground. The surveys are a non-invasive technology and are not harmful to humans or livestock.

A helicopter fitted with electromagnetic instruments will map variations in the electrical conductivity of the ground to a depth of several hundred metres without any disturbance to the ground. All flight plans are approved and managed through CASA procedures. The survey involves a helicopter flying during the day. A transmitter and receiver loop are towed by the helicopter at a height of 35 metres above the ground (refer to Figure 1).

The survey crew will minimise potential impacts to livestock by increasing flying height where concentrations are sighted, for example yards and sheds.

Project timeline

The first 12–18 months of work involves baseline data acquisition for the purpose of geological validation and prospect definition. If the aerial survey identifies an area that requires further assessment the project team would be in touch with the relevant landholders to discuss a land access and compensation agreement to undertake further activities. These activities could include low impact drilling (refer Figure 2 & 3) for core samples.

An AEM survey will take place
**230km East
of Perth**

The survey will be
N to S
from Cunderdin to
Dumbleyung

The flight lines will be
spaced apart by
400m

The survey helicopter
will tow a transmitter
and receiver situated
35m
above ground

COVID 19 protocols

Across our operations we have COVID-19 controls in place, in line with and beyond advice from health authorities. We continue to monitor the situation closely to ensure the safety and wellbeing of our people and communities. This survey will be conducted in accordance with company guidance and state and national restrictions regarding COVID-19.

Contact us

Please get in touch if you have any concerns with this activity.

Anglo American Australia—Southwest Yilgarn Exploration Project

1800 ANGLO A (1800 264 562) (business hours)

Yours sincerely,

Dr David Wood

Discovery Manager, Australia
Anglo American

The survey will begin

Late 2021

It will take approximately

5 months

The total project timeline
will be approximately

12-18 months

We want to hear from **YOU**

Telethon Kids Institute wants to hear from the **WA community** about the important issues for children and young people. This will guide and inform our future research.

Who can take part?

Anyone in WA over
14 years of age.

Young people, parents, carers,
service providers, clinicians,
anyone interested in child
health and development.

What's involved?

A 10-15 minute
online survey.

Register your interest
in future workshops.

For more information and to take part:

- 📍 scan the QR code
- 📍 visit telethonkids.org.au/thinkingbig
- 📍 email thinkingbig@telethonkids.org.au

This research project has been approved by the UWA
Human Research Ethics Committee, 2021/ET000241.

Kellerberrin Tammin Football Club

Thank you

We have celebrated a successful 25th year with our 'A' Reserve Team's Premiership, a function to acknowledge our 25th Year inclusive of the 2001 and 2011 Premiership Teams reunion and on Saturday night we held our 25th Awards Dinner in Tammin. This was extremely well supported by our community and we thank Allie, Rachel and their team from Passenger Platform for our fabulous meals also Chantelle & Mark for managing the beverages section on the night. We congratulate our award recipients and thank the award donors for 2021.

We acknowledge the work of our 'team' the Committee and our 2021 Coaches who have worked hard to make our 25th year one to remember. If you were looking to become more involved in 2022 please come to our AGM which will be held on Wednesday 20th October, 7pm at the Kellerberrin and Districts Club or contact a committee member to see what's involved. Many hands make light work!

In closing we sincerely thank our sponsors, volunteers, communities, families and friends for their support during the 2021 season it is very much appreciated and we look forward to seeing you again in 2022.

Important information about your water supply

If your property is tenanted, please pass this notification on to the occupier.

Low water pressure – Tammin town

7pm Wednesday 10 November – 7pm Thursday 11 November 2021

Water Corporation is upgrading a 1.4km length of the Goldfields Pipeline that supplies water to customers between Perth and Kalgoorlie. The section, located between Tammin and Kellerberrin, is aged and needs replacing to ensure reliability of water supply to nearby customers.

On two occasions in recent months, we have temporarily disconnected the town of Tammin from the Goldfields Pipeline and supplied customers via portable tanker for a 24 hour period to allow us to complete critical work. Most work has been going well, however we are required to temporarily disconnect the town of Tammin from the Goldfields Pipeline a third time. We do hope this will be the final disconnection required to complete this work.

Tammin town properties will be supplied potable water via a portable tank, which will be at lower pressure, during this time, before we restore the main supply and reconnect the town.

When: 7pm Wednesday 10 November – 7pm Thursday 11 November 2021

During this time, toilets and other water using appliances may take longer to fill, or you may notice water from your taps being of lower pressure than usual.

Water Corporation appreciates this essential work will cause some inconvenience to some customers in Tammin and we thank you in advance for your cooperation.

Discoloured Water

This work may result in the water having a discoloured appearance. If this occurs, the water is still safe to drink however:

1. Run the outside garden tap at the front of your property for a few minutes, until the water clears.
2. Repeat the step above for an outside tap at rear of your property.
3. Call us on 13 13 75 if the water does not clear.
4. Do not use washing machines, dishwashers or other water-using appliances until the water is clear.

Special Circumstances

Contact our 24 Hour Faults, Emergencies and Security Line on **13 13 75** if you:

have special circumstances we need to be aware of before this essential work starts are experiencing issues with your water supply service.

Shire of Tammin Council Meeting Dates 2021

Pursuant to Regulation 12 of the Local Government (Administration) Regulations and Section 5.25(g) of the Local Government Act 1995, it is hereby notified for public information that Ordinary Council Meetings will be held as per scheduled dates below, in the Council Chambers, 1 Donnan Street, Tammin, at 5.00pm in 2021, with public question time being held at the commencement of the meeting.

As such, the meeting dates will be:

- ~~January 2021 – no Council Meeting~~
- ~~25 February 2021~~
- ~~25 March 2021 (Yorkrakine Hall)~~
- ~~22 April 2021~~
- ~~27 May 2021~~
- ~~24 June 2021~~
- ~~22 July 2021~~
- ~~26 August 2021~~
- ~~23 September 2021~~
- ~~28 October 2021~~
- 25 November 2021
- 16 December 2021

Local Public Notice will be give to any changes to date, time and place.

Council encourages openness at its meetings and the public is welcome to attend any meetings.

Items for consideration should be lodged at the Shire Office by 12 noon Wednesday, 8 days before the meeting to allow inclusion in the Agenda and appropriate research to be undertaken by all Councillors and Staff.

Neville Hale
CHIEF EXECUTIVE OFFICER

18 December 2020

FIRE!**

**BUSHFIRES ACT
FUEL REDUCTION AND FIRE-
BREAK REQUIREMENTS**

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, you are hereby

required on or before the 1st day of November 2021 to construct fire breaks and/or clear your property of flammable material in accordance with the following, and thereafter to maintain fire breaks up to and including the 1st day of April 2022.

Townsite:

Land Area less than 2048m²

All hazardous material is to be removed from the whole of the land except living trees, shrubs and plants. The remaining vegetation is to be maintained to a height of no greater than 7.5cm.

Townsite:

Land Area greater than 2048m²

All land over 2048m² is to comply with the requirements of rural land.

This is to be maintained for the duration of the restricted and prohibited burning periods.

Tammin Rural Land

All land is required to have a bare mineral earth fire break not less than 3 meters in width immediately inside all external boundaries of said land.

All land surrounding erected buildings is required to be cleared of all flammable material by way of burning, slashing or mowing, and maintained to a height not greater than 75mm.
