CEO UPDATE

BALLARDONG ASTROTOURISM PROJECT

The Shire of Tammin has partnered with RDA Wheatbelt, Astrotourism WA and the Shire of Wyalkatchem to deliver this special project for our region. The project so far has seen some very successful school incursions along with a fantastic stargazing night at Yorkrakine Rock with students from both Tammin and Wyalkatchem schools. Students were treated to a laser presentation showcasing some interesting and unique constellations representing several Australian animals along with the opportunity to look through a couple of very mighty telescopes. Sitting around the campfire students then had the privilege of yarning with some of their local Ballardong Elders and community to share stories and learn more about the local culture and Indigenous astronomy. The students have been working with an Artist from Wongan Hills to create an art piece which will be featured on a souvenir planisphere that shows the echidna in the sky. This planisphere will be launched at a community wide celebration event on the 22nd of July at the Yorkrakine Hall. Please see more details about this exciting event on the flyer advertised further on in the newsletter.

CMT SENIORS BUS TRIP

During May a group of local Tammin Seniors joined with Seniors from Cunderdin and Meckering for a Bus Trip to Nungarin. The group enjoyed a visit to the heritage, machinery and army museum and the Mangowine Homestead. This event was organised by the CMT Seniors and it was great to see our seniors getting involved and making the most of the incredible and interesting attractions the Wheatbelt has to offer!

GRAVEL SUPPLY

The Shire is currently looking for gravel to purchase that will be needed for future road re-sheeting projects. The closer we can secure gravel to where the work needs to be done the more re-sheeting we will be able to achieve. If you have any gravel that you would be willing to sell to the Shire we would love to hear from you.

ITEMS FOR SALE

The Shire has a number of items of plant and equipment that are surplus to requirements that it is currently offering for tender. All items are being offered on an "as is where is" basis. Please see the public notice in this newsletter for more details. Submissions close 4pm Friday the 17th of June 2022.

WORKS REPORT

The Works Crew have had a busy May that began with the street verge collection at the beginning of the month, continuing with maintenance of the town streets and Tamma Village garden, as well as attending a First Aid Course, a Value Day and Wellness Workshop.

The repairs on Livesey road, Packham Road, Gold Links Rd and heading South on Franklin Road have now all been completed. Regarding the vehicle that was on Great Eastern Highway near Franklin Road, this has now been removed by Main Roads.

At the tip, a new cell has been constructed as the previous trench had become full. The Works crew have also completed a refurbishment of the sprayer unit.

Upgrades at the Kep are continuing with great results. New benches were installed at the end of May, and look fantastic. The seats provide a lovely outlook over the grass toward the Hydrology model, which has also had its pump system replaced along with new LED lighting installed. Bench seating has also been installed at the netball courts to give spectators a more comfortable view of the game.

With the Tammin Southern Link Project fencing complete, the Shire are awaiting approval from Main roads for the signs and line design submitted. The tendering process for works will then proceed. The Clearing application process is in progress for the intersection of Ralston Rd and Gardner Reserve Rd.

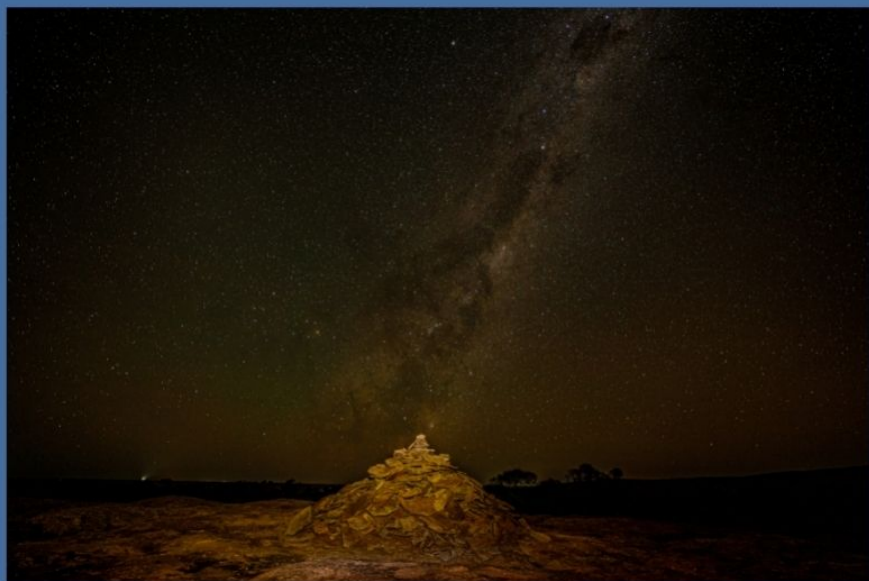

TAMMIN SNAPSHOT

Ballardong Astrotourism Project

Under the backdrop of a waxing crescent moon, students from Tammin and Wyalkatchem schools, stargaze at the magical Yorkakine Rock.

Thankyou to the RDA Wheatbelt, Astrotourism WA, the Shire of Wyalkatchem and the Ballardong Elders for partnering with us to make this project possible.

A community wide skygazing has now been organised, please the next page for more details.

BALLARDONG ABORIGINAL PLANISPHERE LAUNCH

We invite the local community to celebrate the completion of the Ballardong.(Tammin/Wyalkatchem) Nyingarn/Echidna Planisphere.

The constellation of the Nyingarn has come alive through storytelling by Ballardong Elders and student artwork.

6pm-8.30pm, Friday 22nd July, 2022

Yorkrakine Community Hall

2759 Bungulla North Road, North Tammin

- Celebrate the launch of this special planisphere and artwork
- Students presented with their own planisphere
- Meet Catrina Smith, Ballardong Artist & Rebecca Fitzgerald, Project Coordinator
- Sausage sizzle, campfire and Aboriginal storytelling
- Telescope and stargazing

BYO chairs, rugs, torches, warm clothes, fly net, insect repellent.

This event is part of the Ballardong Aboriginal Astronomy project delivered through Regional Development Australia Wheatbelt's Noongar Enterprise Development Support and funded by the Australian Government Department of Social Services, the Shire of Tammin and the Shire of Wyalkatchem.

Certified Customer Service Excellence (CCSE) program

Training Details – Kellerberrin / Tammin

Location: Kellerberrin Recreation & Leisure Centre
Connelly Street Kellerberrin

When: Friday 24 June 2022
9.30am – 12.30pm

- Lunch, tea & coffee provided (please advise any dietary requirements)
- There is no cost to participants but spaces are strictly limited!
- **RSVP's are essential** by **Monday 13 June 2022** to rebekah@150square.com.au (cc.mog@kellerberrin.wa.gov.au)

Learn how to deliver exceptional customer service and to be a true customer advocate.

The Certified Customer Service Excellence (CCSE) program focuses on the essential skills and techniques that make customer service better. The program helps build cognitive and effective empathy skills and trains participants to deliver customer service excellence as part of the wider organisational goal of improving customer service and customer advocacy.

Key Learning Outcomes

After completion of this workshop, participants will:

- Recognise how the customer experience links to online reputation
- How to manage customer expectations so that they have a positive experience
- The fundamentals of good customer service and how to deal with difficult customers

About WEROC

The Wheatbelt East Regional Organisation of Councils (WEROC) Inc. is an incorporated not-for-profit organisation whose membership is comprised of representatives from the Shire's of Bruce Rock, Kellerberrin, Merredin, Tammin, Westonia and Yilgarn. WEROC Inc. is partnering with CSIA in delivering their customer service training to support local business development.

About CSIA

Since 1997, CSIA has been recognised as the authority on customer service in Australia. Our certification, training and recognition programs support organisations and individuals to excel and deliver exceptional customer experiences.

P 1300 912 700 E info@csia.com.au

IMAGINE ZERO DEATHS AND SERIOUS INJURIES. THEN ASK...

How Can I Reduce KSIs?

RoadWise is funded by the State Government and supported by Local Governments
www.roadwise.asn.au

Killed or serious injuries (KSIs) are road crashes that result in death or life-changing injuries. Federal, State and Local Governments are working hard to eliminate KSI crashes: while understanding that people will always make mistakes, we can all do something to improve road safety.

Seatbelts

To mark 50 years of seatbelt legislation in Western Australia, it is timely to remember that one of the most important vehicle occupant protection features of your car is the humble seatbelt.

Between 2016 and 2020 in Western Australia, 408 people were killed or seriously injured while not wearing seatbelts.

Always ensure your seatbelt is properly adjusted and securely fastened.

The sash should be placed over the middle of the shoulder and diagonally across the chest.

The lap belt should sit snugly over the hips.

Never share a seatbelt with a child on your lap.

BELT UP: BECAUSE YOU ARE WORTH HOLDING ONTO!

For belting up since '71...

we applaud you WA.

Community Feral Animal Control Funding

Are foxes, cats and rabbits having an impact on your bottom line?

Feral animals impact Wheatbelt farms and take out large numbers of native species.

Our Healthy Bushlands program offers pest control support to anyone wanting to reduce the effects these animals are having on native species in bushland on, or adjacent to, their property.

If you require more information contact Alex Griffiths on 9670 3102 or email agriffiths@wheatbeltnrm.org.au

To apply scan the QR code or visit:

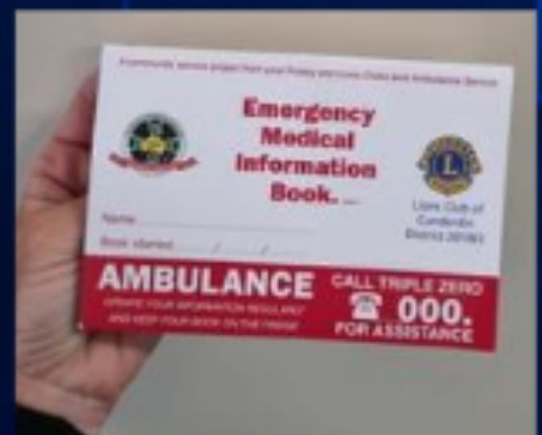

wbrnm.your2cents.com.au/community-feral-animal-control

COLLECT YOUR FREE EMERGENCY MEDICAL INFORMATION BOOK THIS BOOK HAS SAVED LIVES

Recommended by Ambulance Services, Hospitals and Medical practitioners, this EMIB contains all your information and medical records which are needed in the event an ambulance is required and you need to be transported to hospital

Collect your free EMIB from Tammin Administration, fill it out and place it on your fridge so paramedics can quickly find you EMIB.
