## **Community Grants**

I am thrilled to announce the outcome of the Shire of Tammin's Community Grant round. After careful consideration, the Council has resolved to contribute to three projects that will greatly benefit our community.

- The Tammin Hockey Club will receive \$900 towards the purchase of a new line marking machine, which will benefit multiple sporting organisations as well as the Tammin Primary School.
- The Tammin Garden, Heritage, and Recycling Club will be granted \$1,000 for the second stage of their history board project at the Tammin Roadhouse.
- Lastly, the Tammin P&C will receive a contribution of \$2,100 towards the purchase of shade sails that they will install over play equipment at the Tammin Primary School.

We believe these initiatives will enhance our community's sports facilities, preserve our local history, and provide much-needed shade for our children while they are at school.

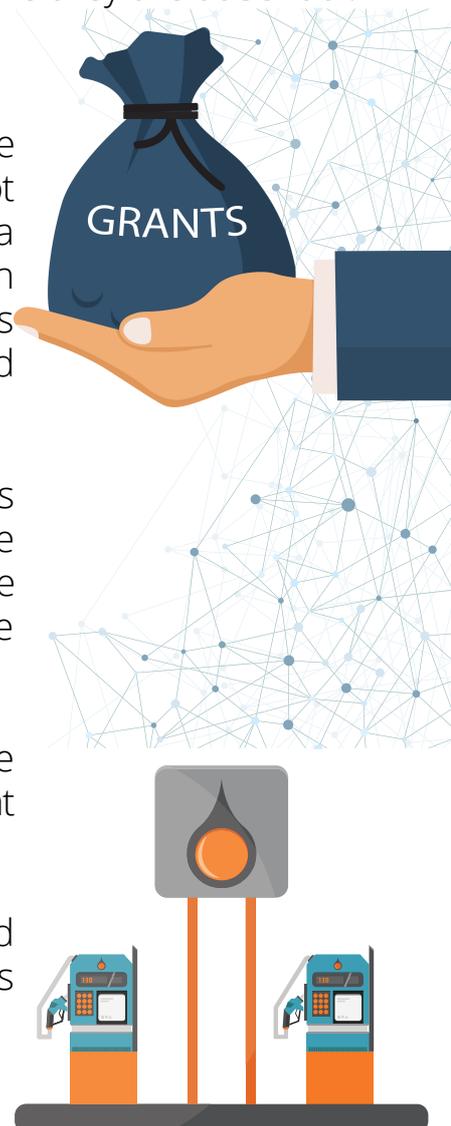

## **Unmanned Fuel DA Outcome**

At the May Ordinary Council Meeting, Council considered the Development Application request for the Unmanned Fuel facility on Lot 251 Great Eastern Highway Tammin. It is significant to note that as a consequence of the applicant's discussions and negotiations with Main Roads WA following completion of public advertising, the proposal has now been amended to address various issues and concerns raised regarding traffic safety.

Amendments include the relocation of the proposed refuelling facilities with greater setbacks from the highway including the demolition of the existing buildings on the land, reconfiguration of and upgrades to the two existing crossovers to the Highway and prohibition of access to the facility by all east-bound vehicles along the Highway.

Based on these amendments the Council resolved to approve the Development Application with 16 conditions associated with that approval.

If you would like to know more about proposed development I would encourage you to read the comprehensive agenda item that was prepared by the Shire's planning consultant which is available on the Shire's website - <https://www.tammin.wa.gov.au/council-meetings/ordinary-council-meeting/ordinary-council-meeting-24-may-2023/278>

# CEO UPDATE - continued

## Home Changeroom Upgrades

The home changerooms at Donnan Park are getting a well deserved makeover ahead of the first Tammin home game in July.

Work has commenced on redoing all the plumbing and tiling to modernise and refresh the space. The Shire plans to update one area each year at the pavilion starting with the home change rooms.

Next on the agenda will be the ladies public toilets which are planned to be included in the 2023/2024 budget that is currently being drafted for Council considering in July.

## Netball Court Repairs

Repairs to the Netball Courts has been undertaken to ensure the surface is ready to host the first Tammin home game in July. Unfortunately due to the large trees in the proximity of the Courts we have experienced some lifting of one of the slabs that caused issues with the playing surface. This has been rectified for the coming season however the issue is likely to continue in the medium term and Council will investigate some longer term options.

## Welcome to Racheal - Farewell to Morgan

There is movement at the station as the Shire is bidding farewell to Morgan Ware in early June, concluding her three and a half years of loyal service. Morgan's contribution to #teamtammin has been highly valued and we extend our best wishes to her for all her future endeavours.

Rising to the position of Manager of Finance and Corporate Services, the Shire of Tammin is thrilled to welcome Rachael King to this role. With her recent relocation to Tammin from the Shire of Murchison and her current successful management of the Shire of Tammin's Rates and Revenue, Rachael brings an extensive wealth of Local Government knowledge and experience. Rachael is currently completing her Master of Accounting and Finance and we are truly delighted to have someone of her experience join us on a full-time basis.

# Tidy up Tammin

The Shire of Tammin will be undertaking a road verge collection program once a month until June of the Tammin townsite.

# WHAT'S BEEN HAPPENING

## Better Beginnings

We have had a busy few weeks with our Better Beginnings tribe. We started Term 2 by going on a bear hunt with our favourite teddy bear or toy, enjoyed some sunshine as we adventured outside and painted with leaves and flowers. On Wednesday, 24th May the Better Beginnings children made their way over to the Tammin Primary School to join the students for National Simultaneous Storytime.

We had so much fun hanging out with the big kids and participating in the activity.

Thanks so much Tammin Primary School for having us!

## Phones

The Shire of Tammin is currently having issues with our phone systems. This issue is currently being fixed but we are unsure of when our line will be up and running as per normal.

In the interim, you can contact the Shire Administration Office on our temporary number (08) 9670 6850.

For further enquiries, please feel free to email us on [shire@tammin.wa.gov.au](mailto:shire@tammin.wa.gov.au)

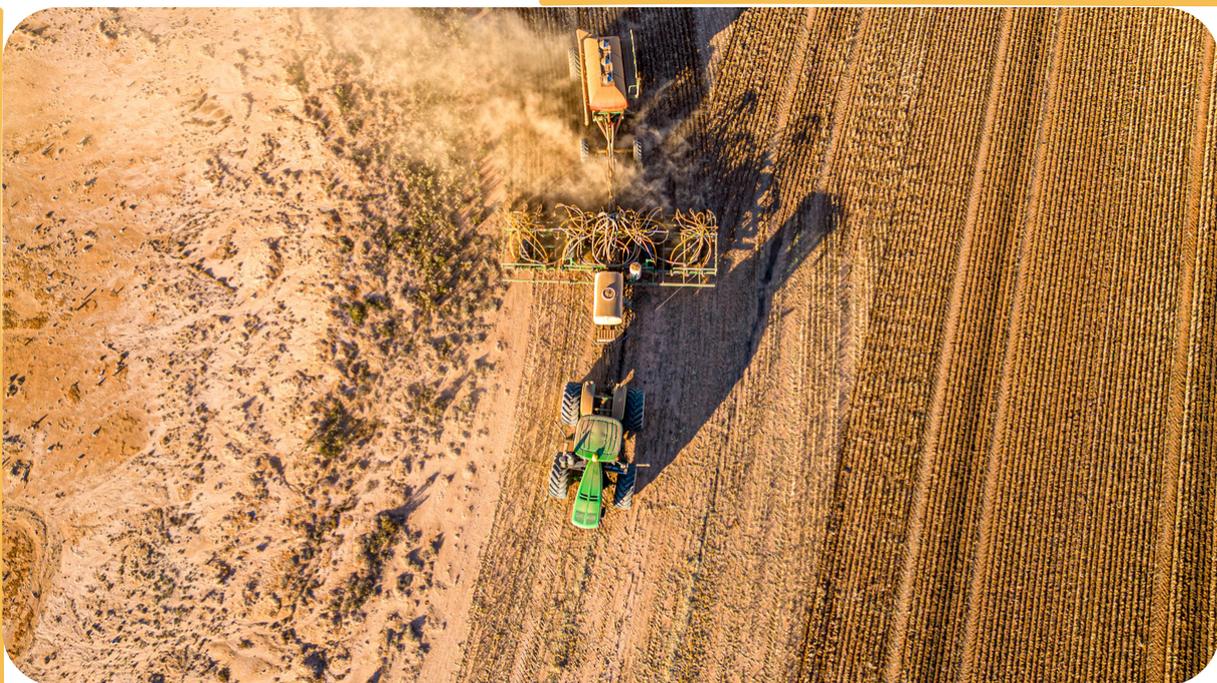

# OUTSIDE WORKS

- Now that the Southern Link Project is officially complete, Main Roads have installed line marking whilst regulatory signage is being ordered and put up.
- Repairs to the netball courts have been undertaken just in time for the first home game in Tammin.
- The Shire of Tammin's outside crew have been very busy these past few weeks. Check out the amazing job they have done upgrading footpaths around town and in front of the Tammin Primary School.
- Just a friendly reminder to please refrain from parking vehicles on footpaths or nature strips as this may impede on foot traffic and accessibility.
- Maintenance grading has taken place on carious roads such as Youering Road, Mackin Road, Christison Road, Chappell Wheeldon Road, Barrack Road, Tammin South Road and a section of Cubbine Road.
- Grading will continue on to Cubbine Road and then move on to Goldfields Road.
