

# STEPHENS, Greg

Candidate for Tammin

I am a small business owner/operator, being the Tammin Post Office and are aware of the issues faced by people in the community.

Prior to purchasing the Tammin Post Office, I served as a Local Government Manager throughout Shires and Councils throughout Australia (including Tammin) for over 20 years.

I will ensure community perspectives are heard and considered in local decision-making.

I am keen to give feedback to electors/ratepayers on council decisions and the progress of works being carried out.

I am keen to promote sound long-term financial management and value for money.

I am keen to promote and support community events and activities.

I am keen to promote the needs of our residents for improved levels of transport infrastructure, water, energy, communications, and health.
