# BETTER BEGINNINGS 2023

Reflecting on an incredible year, the Better Beginnings program brought families together for interactive play, singing, and the magic of stories.

To our dedicated families, your commitment and support have been the bedrock of this transformative journey, creating lasting memories for our little learners.

The year culminated in a festive Christmas Party at the Kellerberrin Swimming Pool, where the echoes of laughter mixed with the sounds of splashing water. A sizzle of sausages on the barbecue added a delicious note to the celebration. Thanks to the generosity of the Avon Valley Vehicle Association donating goody bags, each child left with a cherished gift, symbolizing the warmth and spirit of the season.

Wishing you all a Merry Christmas and a safe & adventurous New Year! 🎉

# WHAT'S BEEN HAPPENING

## Tammin Community Christmas Tree

*"It was a stunning night weather wise for the Tammin Community Xmas Tree last Friday 15th December at the oval. The children were excited to see Father Christmas who arrived on the fire truck with a huge bucket of lollies for everyone. We enjoyed great music from Dj Kenny, face painting and hot beef rolls. The highlight of the night aside from Father Xmas's visit and presents was the raffle. We had 24 individual prizes to give away.*

*The Xmas tree would not be such a fantastic event without the sponsorship we received from the following businesses. We would like to thank the Tammin Shire, Tammin Fire Brigade, IGA Kellerberrin, IGA Cunderdin, Ash and Nat Mackin for the tree, Hutton and Northey, Yorkrakine Farm Supplies, Farmways and a big thank you to Paul Brown at DKT and Afgri for all the toys donated on the night for the raffle. We look forward to another great event next year" - **Melissa Marchant (Committee)***

## Dog Park - Final Touches

Team work makes the dream work!

We're thrilled to announce that the final touches have been added to our Dog Rest Area this morning, thanks to the incredible efforts of the Shire Outside Crew and the local legends at Chatfields.

This space has been a true labour of love, and we couldn't have done it without the dedication and hard work of the entire team. A special shout-out to Chloe Garlett, a local superstar from Chatfields, who not only contributed her time but also designed and built everything from scratch.

Thank you to everyone involved in making this project come together!

Come on down with your furry pals and enjoy the newly revamped Dog Rest Area featuring agility equipment, weaving poles and jumping obstacles. Be sure to tag us in your photos with the giant T.

# COMMUNITY CROP 2023

On behalf of the Tammin Progress Inc. we would sincerely like to thank our valued Community Members for their contribution to growing the Community Crop 2023 –

- Tammin Shire Council for the continued use of their land to go the 46 ha crop.
- The first knockdown was done at the end of April by Donald Thomson.
- On 20th May - Brad and Kate Jones from Bungulla Farming seeded wheat and supplied the fertilizer.
- On 25th July - Wayne, Pippa and Luke Button from Manunda Stud sprayed Flexi N on the crop.
- 10th August - Donald Thomson top dressed with Flexi N and Jaguar LVEMCPA.
- 7th September - Donald Thomson completed the Community Crop firebreaks.
- 3rd November - Gavin, Gemma and Jack Charlton from Yorkrakine Farm Supplies harvested the crop.
- Nick Caffell delivered the crop to CBH and was my help and knowledge on how to grow a Community Crop.

Tammin Progress Inc would like to sincerely thank CSBP for their fertilizer sponsorship of \$2,000 which was an invaluable contribution enabling the group to purchase fertilizer to grow our Community Crop. A special mention to Jason Ralston for organising the Fertilizer Sponsorship from CSBP for Tammin Progress Inc.

Profits made from this crop goes towards a community grant funds to assist local sporting and community groups to apply for funds through Tammin Progress Inc, that may contribute towards planned capital projects in our town.

Without your support the Community Crop would not have progressed the way it did and I would like to let you know that the crop averaged 1.7T which we are very grateful for.

The Community Crop in 2023 was the responsibility of the Tammin Women’s Hockey Club and as we are a small Club, all the support we received has been wonderful and we as a Club are very thankful for your support.
