

SHIRE NOTES

Bitumen Patching Truck

In the first few weeks of May a bitumen patching truck known as a *Jet Patcher* will be in Tammin patching some of our sealed roads. Work will commence on Tammin South Road which will be patched in readiness for resealing. Other roads which will be receiving attention include Bungulla North Road and Tammin Wyalkatchem Road. The truck will be in Tammin for up to three weeks. We would like the truck to get to as many roads as possible; however cost is the limiting factor. Motorists are urged to take care when travelling on our sealed rural roads in May; observing warning signage and be prepared to stop as the truck may be stationary or travelling very slowly as it repairs potholes and the edges of the roads.

Regional Skills Audit

The Department of Agriculture and Food WA has provided C.Y. O'Connor College of TAFE with the unique opportunity to conduct a Regional Skills Audit in the Wheatbelt Region of WA. The Skills Audit focuses attention specifically on existing and required skills and knowledge within the Eastern Wheatbelt area and is intended to ascertain the skill needs of businesses and community groups. TAFE has been in contact with the Shire and asked our assistance in requesting the participation of Tammin businesses and community groups in the audit. Businesses or community groups interested in participating in the audit are requested to please contact Tanya at the Shire office. The audit questionnaire will take approximately 10 minutes to complete and Tanya is available to assist with this process. For more information please call 9637 1101.

200 Rocked The Night Away - 10 April 2010

A fantastic time was had by all that attended the One Step Ahead concert. A BIG thank you needs to go out to the Tammin Parents & Citizen's Association for their effort in ticket sales and we are pleased that they were able to raise funds for our primary school. Remember that you can have your say in the types of shows that are presented in Tammin by attending the Events Committee meeting on the 1st Tuesday of every month at 1:30pm at the shire offices.

The BIGROLL BBQ – 26 April 2010

The BIGROLL convoy will arrive in Tammin at 5pm on Monday 26th April. Please show your support for this worthy cause by joining in a convoy in a parade starting at the bowling club and ending at the Donnan Park Oval where you will be able to enjoy a \$2.00 sausage sizzle. Cold drinks, crisps and lollies will also be on sale. Proceeds of the sausage sizzle will be donated to the BIGROLL foundation.
