## **Amalgamations Debate**

The Minister for Local Government and Regional Development gave local governments until the 31 August 2009 to advise him of their amalgamation intentions – with the statement *If you don't want to do it, I'll do it*. This deadline has now been extended to 30 September 2009.

At the Local Government Convention, the Premier, the Minister and Brendon Grylls all gave a very strong message urging local governments to consider amalgamation with the Premier indicating the 139 local governments should reduce to a number substantially less than 100. It was suggested that Local Governments with a population of less than 1,000 would wither and die. It was also stated the Royalties for Regions funding would be redirected to reward those local governments who had embraced the Government's direction.

On 13 August 58 people listed to advise from WALGA and the Shire's consultant employed to respond to the Government and considered a draft position paper prepared for the evening. Questions were answered and discussions continued following the meetings closure.

Council resolve on 20 August for it's project team to continue to meet potential amalgamation partners to flesh out it's submission.

Further advice was given by the National Party on 21 August that it will support formalised Regional Organisations of Councils (ROCs) as an alternative to amalgamation.

### **Entertainment**

*Country Arts WA* has released it's 2009 Touring Menu and has invited voting to determine which of the 18 productions, including theatre, music, physical theatre, comedy, and puppetry get to tour.

*LotteryWest* has provided \$22,500 funding to the Shire of Tammin for audience development to promote 5 shows – so the voting is very relevant.

Full details are available from Country Arts WA on regional free call 1800 811 883 or download the Menu (2.4mb) from:

### **Rabbit Proof Fence Memorial Project**

A Steering Committee has been formed to progress a proposal for a memorial to be constructed in Cunderdin for the No 2 Rabbit Proof Fence together with a drive trail linking similar sites around the State for the No 1, No 2 and No 3 Fences.

The Committee plans to meet quarterly with the first meeting to be held on Friday 23 October in Cunderdin. A representative from Tammin is sought to serve on this Committee. Is there someone who has an interest in representing Tammin?

### **Volunteer Grants 2009**

\$21 million is available for Volunteer Grants 2009. Applications are open for six weeks from Friday 14 August to 25 September 2009.

Grants and funding is to encourage and support volunteers. Volunteer Grants 2009 provides funding for eligible non-profit organisations to support their volunteers and encourage volunteering by: purchasing practical and tangible small equipment items to help volunteers; and/or contributing towards the reimbursement of volunteers' fuel costs incurred when carrying out their volunteering work, including those who use their cars to transport others to activities, deliver food and assist people in need.

Organisations can apply for grant funding from a minimum of \$1,000 up to a maximum of \$5,000.
