PART 3 - REQUIREMENTS AND LIMITATIONS ON THE KEEPING OF DOGS

3.1 Dogs to be confined

(1) An occupier of premises on which a dog is kept must -

- (a) cause a portion of the premises on which the dog is kept to be fenced in a manner capable of confining the dog;
- (b) ensure the fence used to confine the dog and every gate or door in the fence is of a type, height and construction which having regard to the breed, age, size and physical condition of the dog is capable of preventing the dog at all times from passing over, under or through it;
- (c) ensure that every gate or door in the fence is kept closed at all times when the dog is on the premises and is fitted with a proper latch or other means of fastening it;
- (d) maintain the fence and all gates and doors in the fence in good order and condition; and
- (e) where no part of the premises consists of open space, yard or garden or there is no open space or garden or yard of which the occupier has exclusive use or occupation, ensure that other means exist on the premises (other than the tethering of the dog) for effectively confining the dog within the premises.

(2) Where an occupier fails to comply with subclause (1), he or she commits an offence.

Section 33GA(2) of the Dog Act provides that a dangerous dog must be confined whenever it is not tethered or leashed and under the direct control of an adult. This section provides for a maximum penalty of \$10,000. Since the penalty is twice the maximum penalty which a local law can impose, local governments are required to enforce the penalty directly rather than via a local law.

3.2 Limitation on the number of dogs

(1) This clause does not apply to premises which have been -

- (a) licensed under Part 4 as an approved kennel establishment; or
- (b) granted an exemption under section 26(3) of the Act.

(2) The limit on the number of dogs which may be kept on any premises is, for the purpose of section 26(4) of the Act -

- (a) 2 dogs over the age of 3 months and the young of those dogs under that age if the premises are situated within a townsite; or
- (b) 4 dogs over the age of 3 months and the young of those dogs under that age if the premises are situated outside a townsite.

(3) Subject to subclause (1) where an owner or occupier fails to comply with subclause (2), he or she commits an offence.

Section 26(4) of the Dog Act provides that:

(4) A person must not keep in or at any premises, not being licensed under section 27 as an approved kennel establishment —

- (a) in the case of dogs that have reached 3 months of age, other than dangerous dogs

(declared) or dangerous dogs (restricted breed), more than the number of dogs than the limit imposed under —

- (i) a local law mentioned in subsection (1); or
- (ii) an exemption granted under subsection (3);

...

Regulation 33(4) of the Dog Regulations 2013 provides for a modified penalty of \$200 of a breach of s26(4) and \$400 where the offence involves a dangerous dog.

PART 4 - APPROVED KENNEL ESTABLISHMENTS

4.1 Interpretation

In this Part and in Schedule 2 -

“**licence**” means a licence to keep an approved kennel establishment on premises;

“**licensee**” means the holder of a licence;

“**premises**”, in addition to the meaning given to it in section 3 of the Act, means the premises described in the application for a licence; and

“**transferee**” means a person who applies for the transfer of a licence to her or him under clause 4.14.

4.2 Application for licence for approved kennel establishment

An application for a licence must be made in the form as determined by the local government from time to time, and must be lodged with the local government together with -

- (a) plans and specifications of the kennel establishment, including a site plan;
- (b) copies of the notices to be given under clause 4.3;
- (c) written evidence that either the applicant or another person who will have the charge of the dogs, will reside on the premises or, in the opinion of the local government, sufficiently close to the premises so as to control the dogs and so as to ensure their health and welfare;
- (d) a written acknowledgement that the applicant has read and agrees to comply with any code of practice relating to the keeping of dogs nominated by the local government; and
- (e) the fee for the application for a licence referred to in clause 4.10(1).

4.3 Notice of proposed use

(1) An applicant for a licence must give notice of the proposed use of the premises as an approved kennel establishment after the application for a licence has been lodged –

- (a) once in a newspaper circulating in the district; and
- (b) to the owners and occupiers of any premises adjoining the premises.

(2) The notices in subclause (1) must specify that -

- (a) any written submissions as to the proposed use are to be lodged with the CEO within 14 days of the date the notice is given; and
- (b) the application and plans and specifications may be inspected at the offices of the local government.

(3) Where –

- (a) the notices given under subclause (1) do not clearly identify the premises; or
- (b) a notice given under subclause (1)(a) is of a size or in a location in the newspaper which, in the opinion of the local government, would fail to serve the purpose of notifying persons of the proposed use of the premises,

then the local government may refuse to determine the application for a licence until the notices or notice, as the case may be, is given in accordance with its directions.

4.4 Exemption from notice requirements

Where an application for a licence is made in respect of premises on which an approved kennel establishment is either a -

- (a) permitted use; or
 - (b) use which the local government may approve subject to compliance with specified notice requirements,
- under a local planning scheme, then the requirements of clauses 4.2(b), 4.3 and 4.5(a) do not apply in respect of the application for a licence.

4.5 When application can be determined

An application for a licence is not to be determined by the local government until -

- (a) the applicant has complied with clause 4.2;
- (b) the applicant submits proof that the notices referred to in clause 4.3(1) have been given in accordance with that clause; and
- (c) the local government has considered any written submissions received within the time specified in clause 4.3(2)(a) on the proposed use of the premises.

4.6 Determination of application

In determining an application for a licence, the local government is to have regard to –

- (a) the matters referred to in clause 4.7;
- (b) any written submissions received within the time specified in clause 4.3(2)(a) on the proposed use of the premises;
- (c) any economic or social benefits which may be derived by any person in the district if the application for a licence is approved;
- (d) the effect which the kennel establishment may have on the environment or amenity of the neighbourhood;
- (e) whether the approved kennel establishment will create a nuisance for the owners and occupiers of adjoining premises; and
- (f) whether or not the imposition of and compliance with appropriate conditions of a licence will mitigate any adverse effects of the approved kennel establishment identified in the preceding paragraphs.

4.7 Where application cannot be approved

The local government cannot approve an application for a licence where -

- (a) an approved kennel establishment cannot be permitted by the local government on the premises under a local planning scheme; or
- (b) an applicant for a licence or another person who will have the charge of the dogs will not reside on the premises, or, in the opinion of the local government, sufficiently close to the premises so as to control the dogs and so as to ensure their health and welfare.

4.8 Conditions of approval

- (1) The local government may approve an application for a licence subject to the conditions contained in Schedule 2 and to such other conditions as the local government considers appropriate.
- (2) In respect of a particular application for a licence, the local government may vary any of the conditions contained in Schedule 2.

4.9 Compliance with conditions of approval

Penalties where a licensee does not comply with the conditions of a licence are dealt with in the Act and Regulations.

Section 27 of the Dog Act 1976 provides that:

27. Licensing of approved kennel establishments

(1) Where, under section 26(1)(a) or (b), a limit is imposed on the number of dogs that can be kept in or at any premises situate in a local government's district area, and a person proposes to keep more than that number of dogs in or at premises in that area that are not exempt from the limitation, the person must apply for the premises in question to be licensed as an approved kennel establishment.

(2) A person who keeps, or permits or suffers to be kept, any dog over the age of 3 months of a breed or kind to which that licence applies at an approved kennel establishment otherwise than in accordance with the licence relating to that establishment

(b) for each separate and further offence committed by the person under the Interpretation Act 1984 section 71, a fine of \$100.

Item 13 of the Schedule contained in Regulation 33 of the Regulations provided that a modified penalty can also be applied:
