State Government to give \$565,828

The Hon Brendon Grylls has announced, as part of the Royalties to Regions commitment, funding of \$400m over 4 years for the Country Local Government Fund from which the Shire of Tammin will be eligible for \$565,828 in 2008/09. The funds are restricted to asset renewal and asset creation. Further funding will be provided for the next 3 years.

A survey has been forwarded to all residents in the Shire of Tammin seeking an indication of the priority of the projects identified by Councillors together with any additional projects.

Children's Activities During School Holidays

Free activities for primary school age (5-12 years) children are being provided during their holidays from the Lesser Hall.

Kadjininy Kep

Parents are reminded that unsupervised children are not permitted in the hydrology model area. Apart from the risk of drowning, the water is not treated sufficiently for children to play in. Additionally, damage will be done to seal finish of the ponds. Your help in providing direction in this regard is requested.

Australia Day

Australia Day will again be celebrated at Memorial Park. This year, the 26 January 2009 falls on a Monday. Celebrations will start at 10:00am. The whole community is invited.

BMX Track

The new track is now operational and from the bike tracks has been well accepted by the kids. If you're looking for something different to occupy those on holidays, why not load the bikes on the back of the ute and bring them in for a run?

For further information on any of these issues, please contact your local Councillor or the staff at the Shire Office.
