

# SHIRE NOTES

## **Tamma Village**

The Shire of Tammin, in conjunction with the Department of Housing and Works and the local Seniors Committee, provides the ten 2 bedroom units in Booth Street in the complex known as Tamma Village. The units provide low cost housing for seniors.

A vacancy currently exists at the Village. If you have an interest, you are urged to contact the Seniors Committee (Mrs Joan Button, Chairman) to register.

## **Property Damage**

The family tensions which boiled over on Thursday and Friday 22-23 November and resulted in houses being damaged and one house being burnt are not what anyone wants for Tammin. The Police has given assurances that they are addressing the situation. Action has been taken to expedite the clean-up of the house site and also the town.

## **Carols By Candlelight**

This year, the carols are to be held on Sunday 16 December – at Kadjiny Kep of course.

## **Festive Season Arrangements**

The Shire Office will be closed for Christmas from close of business on Friday 21 December through to Wednesday 2 January. For emergencies, please use the mobile number of 0429 871 101.

## **Next G Mobile Telephone**

If you have upgraded your CDMA mobile telephone to the new Next G technology and are experiencing reception difficulties, the number to ring to report the problem is 125111.

## **Christmas Present**

Looking for something different for a Christmas present? Why not consider *Wool Wheat & Wodjil* compiled by Des Repton. This tribute to the people and events that moulded the district of Tammin is available from the Shire Office.

## **Staff**

A vacancy exists for the permanent part time (three days per week) position of Community Development Officer. With a salary range of levels 3-5 (\$400 - \$495 gross per week) the position responsibilities revolve around promoting activities which improve the quality of life and social interaction of residents of the Shire of Tammin. A Position Information Pack is available by contacting Laurise Winterswyk.

If you desire to help our active community develop and progress and you have these skills – or are willing to learn - then you should apply.

Welcome to new employees Albert Fourie (gardener) and Ray Beasley (truck driver/plant operator).

Mick Oliver, Chief Executive Officer
